Steve
Its been great knowing you this year. Stay cool and party hard this summer
your friend
Scott Clowers

Steve,
It has been real,
I have had a great year in
Ag and everything else. Have a
good summer and keep up the partying.
James Allday

Steve,
It's been real nice to have you in 2nd & 6th period Class. I hope you have a good year in 85. Good Luck on those Parties!
Tony Crow

Steve- you are such a party animal but I hope you don't get caught. Next year is gonna be a blast! Don't get in too much trouble this summer!

Love- Sno 85

Sandra

Steve

Your a sweet & gorgeous guy. Hope to see you at some party's. this SUMMER. Next years gonna be the best. Ag's been fun! Stay fine!

Love
Scooter

Steve.
It's been a blast this year.
English has been great. We'll have to get together sometime and build an engine. Take it easy on the booze & women this summer.
John Davis

Steve
your a great friend and its been fun in ag. Stay out of trouble next year. Be sweet to poor old freeman

Love
Charla B.

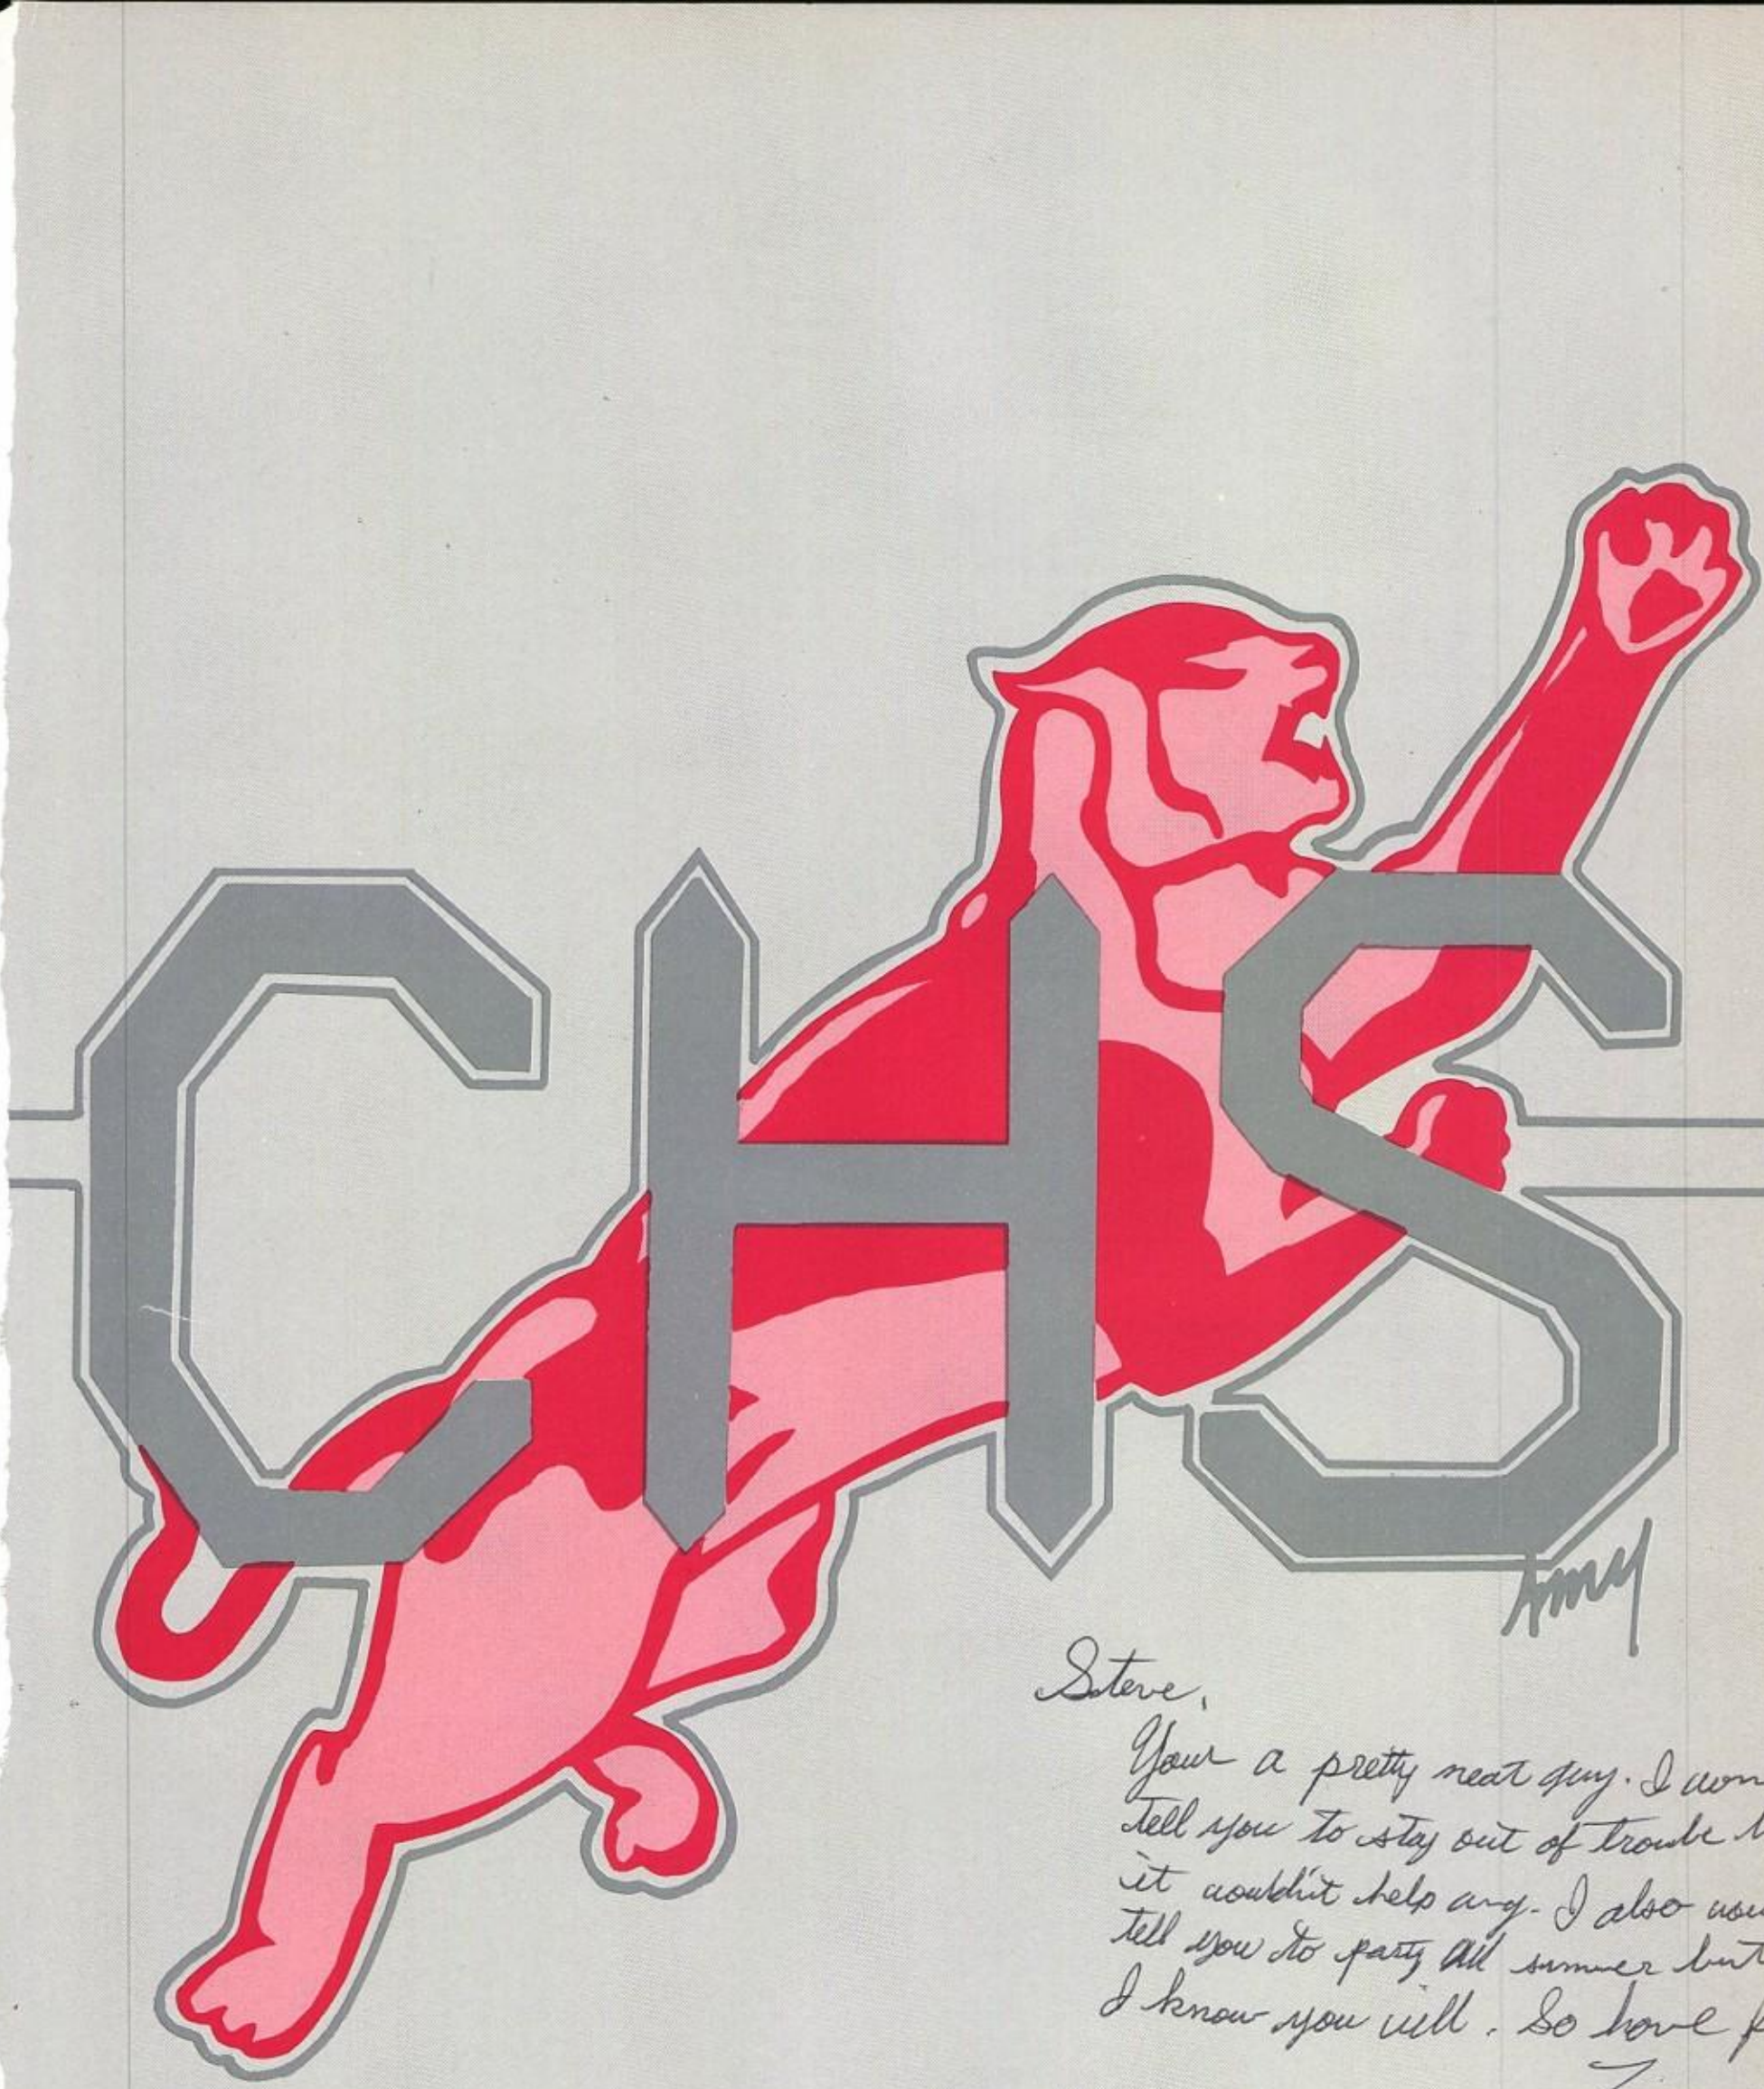
Steve,
6th period English is a real exciting class. Get ready to raise hell next year because we don't want Cooper to forget us.

Snick

STEVEY PARTY RICK

Steve
what a great year at least I didn't get coeds with a dip

Lee Small



Steve,

Your a pretty neat guy. I would tell you to stay out of trouble but it wouldn't help any. I also would tell you to party all summer but I know you will. So have fun

COMBINING DREAMS WITH REALITY

The timeless energies
we have spent
grow unintentionally
into what will be
our making
and our hopes
that have bounced
from the dreamworld
to the earth
will focus from
a point in the
center of our mind
onto the future.
The moments created here
are too great to be held
captive by the eye.
They must be passed on
to the imagination
where imagery and
reality form the end

to our
immortalities

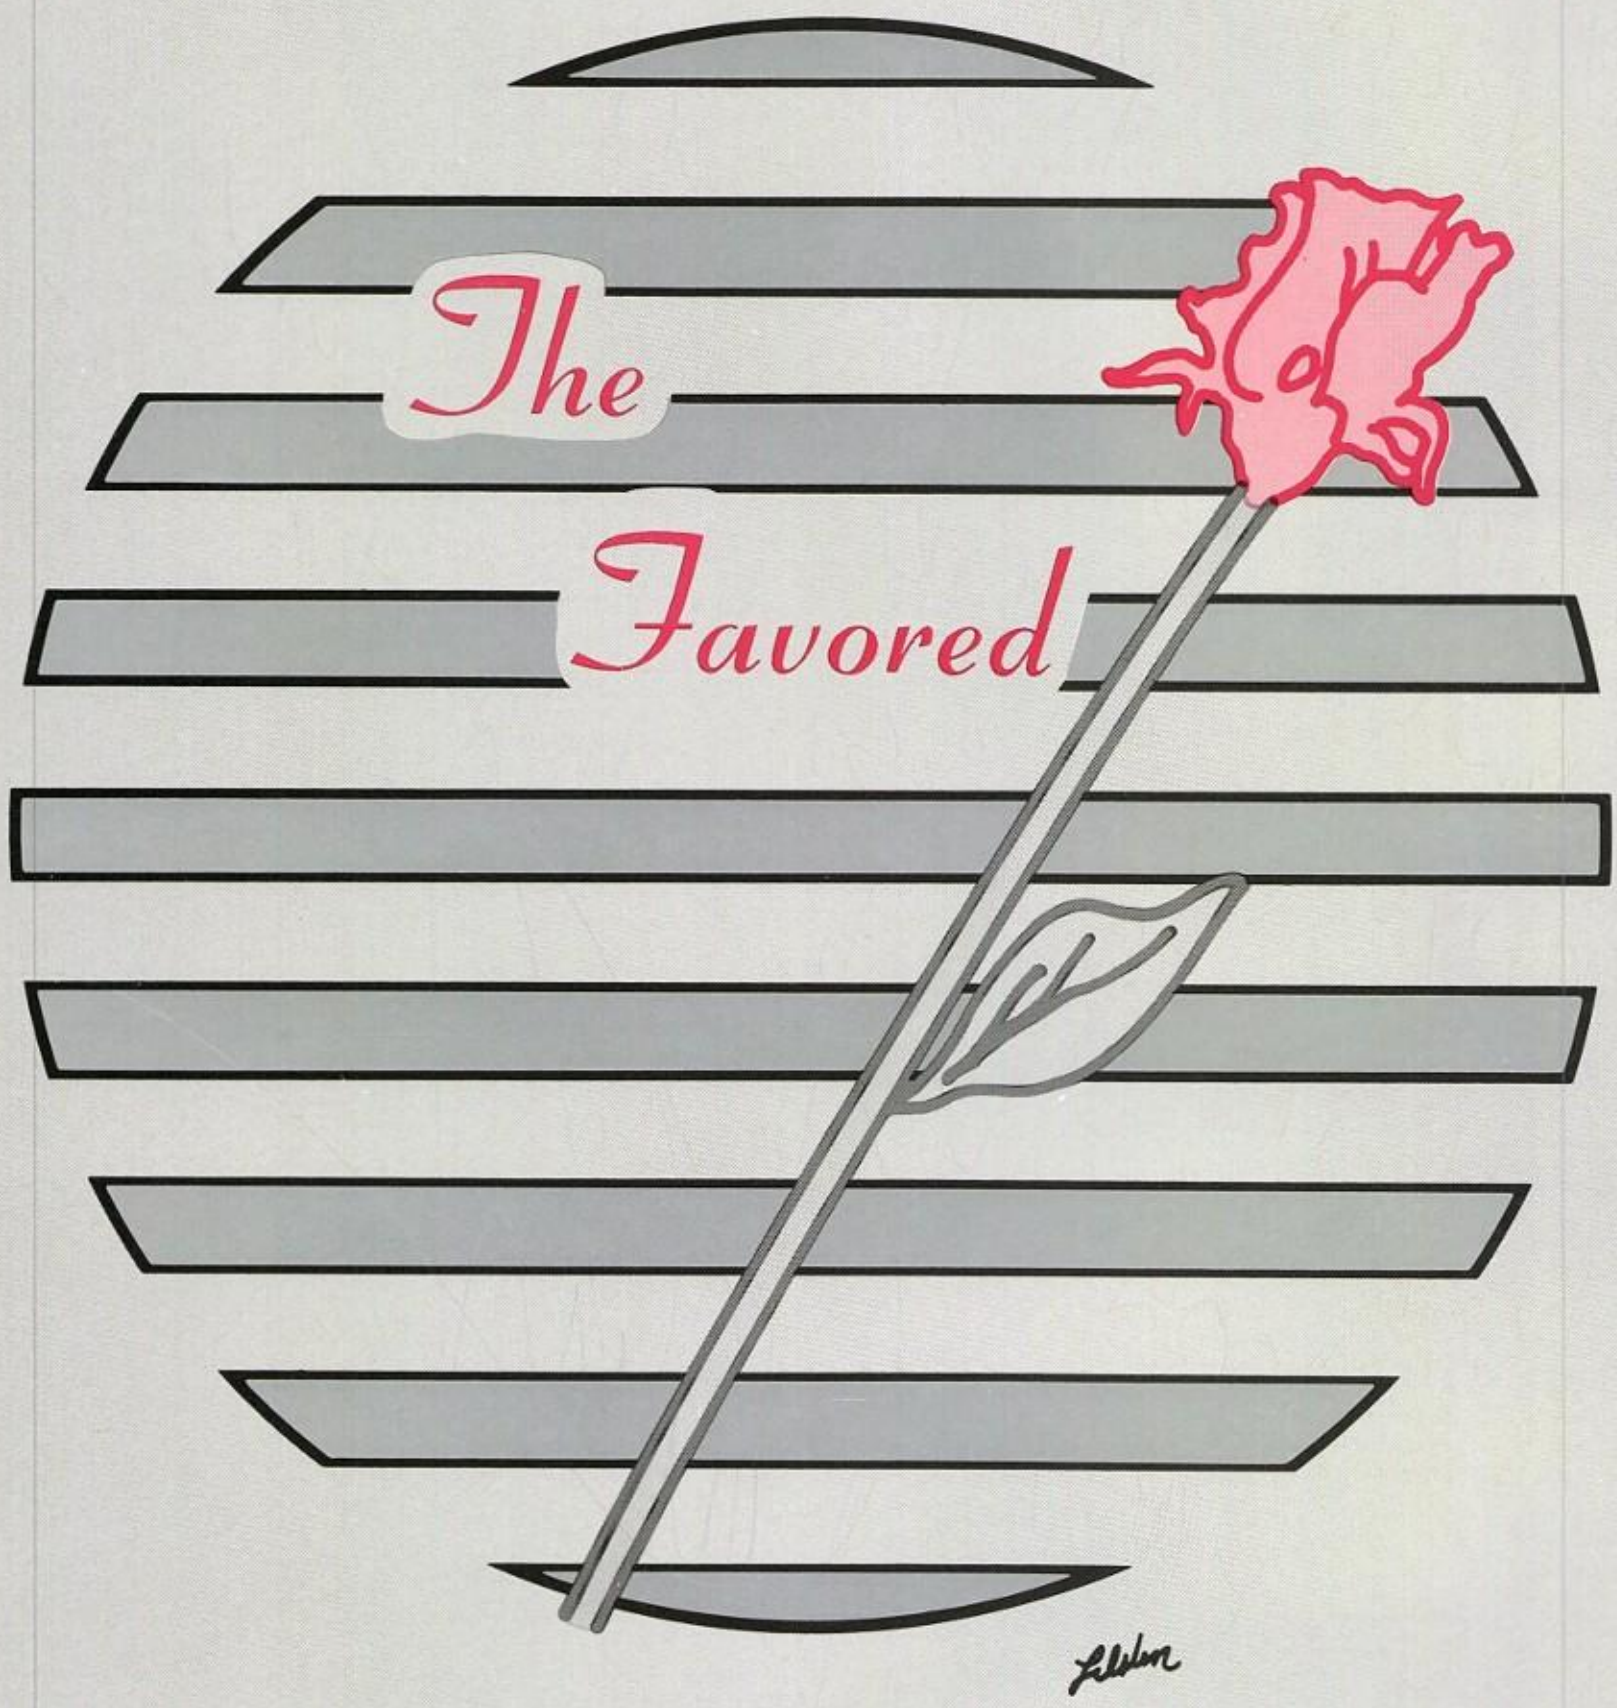
Talisman Volume XXIV

O.H. Cooper High School



The
Favored

Hey Steve,
I decided to write
on this page because
I figured no one would
want to look at this
anyway. Take me to
parties. Have fun
& take it
easy.
Joanna Barnett

Talisman Dedicatee
1984

Dedication to teaching, a love of people, and a concern about things that matter are the hallmarks of this year's honoree. She comes from Ft. Worth. She received her B.A. degree from McMurry and her M.A. degree in English from Hardin-Simmons University. She taught at Eula before coming to Cooper High School. She has been at Cooper for the last five years. In addition to her teaching activities, she is also the sponsor of the Cooper High School Chapter of the National Honor Society. At home she is beloved by Jasper and Zelda, the cats, and by Alfie, the dog. Her mother and father, Mr. and Mrs. James Barnett live in Ft. Worth. She also has a brother, James Russell.

She is one of those rare individuals who loves learning for the sake of learning and for others as well as for herself. She is truly a "scholar and a lady."

The 1984 yearbook staff is honored to name the dedicatee of the 1984 TALISMAN . . .

In 1981 we came to Cooper High School as a class of spirited young sophomores. We had great hopes and determination to accomplish many things. As we reached the end of our senior year we continued many traditions such as the Senior Musical, Prom, Senior Bar-B-Q, and the Six Flags trip. When the day came for us to say goodbye we left behind memories that the halls of Cooper will never forget. Our long awaited senior year is over. Some familiar sayings were: "Out of my way, I'm a Senior!" "I'm a Senior what's your excuse?" "Hey there's a party this weekend!!!" "Promise me you'll write . . ." "remember when . . ."

Thanks for the goodtimes!!!

junior class officers

the juniors of 1983-84 saw this year as an opportunity to relax from their trying, but successful sophomore year. they also saw this period as a chance to prepare for the coming climactic senior year.

leading the junior class: john el-attrache — president, shannon taylor — vice-president, gabie brooks — recording secretary, patricia ho — corresponding secretary, katrice nowell — treasurer, and shea pruitt — student council representative.

the class of 1985 will survive!!

The Sophomore class officers for the 1983-'84 school year are: President, Cris Curnutt; Vice President, Stephanie Childers; Recording Secretary, Monique Tucker; Corresponding Secretary, Cathie Galbraith; Treasurer, Sean Seamster; and Student Council Representative, Courtney Conoly.

The sophomore class made it through their first year at Cooper by being totally enthusiastic in everything they were involved in. The sophomores participated in sports activities, pep rallies, and especially homecoming. Their great class sign: "Just For Fun, Just For Kicks; We're the Class of '86," expressed just how they feel about their sophomore year.

Principal

Lynn Mendenhall, the new principal at Cooper, is surely qualified for his job. After spending ten years at Cooper teaching, five years at Madison Jr. High, and three years at Abilene High as associate principal, and one year as principal at Lincoln, he is back to conquer the task as principal here.

When asked how he wanted people to remember him, he replied "I want the student body to remember each other, that's what is important." Mr. Mendenhall's main concern is that the faculty of Cooper provide a good learning environment, and to make learning enjoyable.

"Well, I never." claims Mrs. Miller.

This year Cooper again has four Associate Principals. They are Mr. Valree Brailsford, Mrs. Melba Miller, Mr. Glenn Petty and Mr. Jerry McCutchen. These four work together to provide supportive help and guidance for the students at Cooper High School.

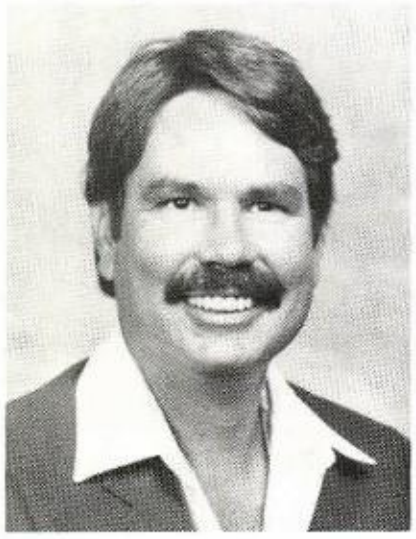
Mr. Valree Brailsford has been at Cooper for twelve years. Some of the jobs he is in charge of this year are the discipline, attendance, and curriculum of the Sophomore Class A-K, and as one of the associate principals, assisting in supervising student activities. He received his B.S. at Prairie View, A&M University and has a Master of Education.

Mrs. Melba Miller is in charge of the Public Address Announcements, the official enrollment of students, and the Junior Class. She received her B.B.A. at McMurry College and her Master of Education from Abilene Christian University.

Mr. Glenn Petty has been at Cooper for two years. He is in charge of the Senior Class with attendance, curriculum and discipline. He received his B.S. at Howard Payne University and his MEd at Sul Ross University.

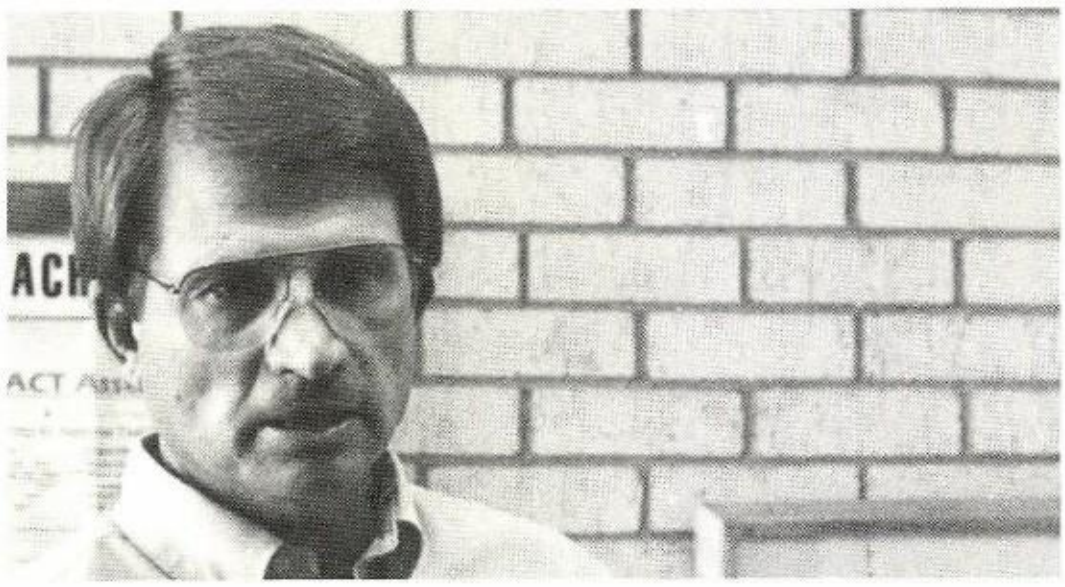
Mr. Jerry McCutchen has also been at Cooper for two years. He is responsible for the Sophomore Class L-Z with attendance, curriculum and discipline. He received his B.S. at Hardin-Simmons University and his Master's at Abilene Christian University.

Counselors

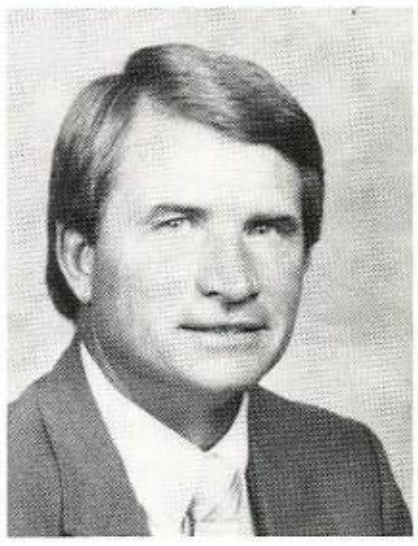


Bill Watkins

Christine Bradshaw



Mr. Wood looks like he could use some counseling himself.



Jerry Wood

The counselors at Cooper High School are very helpful to the student body. They work hard throughout the whole year to help each student with their individual needs. They have patience in guiding the students to do what is best before and after they graduate.

This year, the Sophomore counselor is Mrs. Christine M. Bradshaw. She received her Bachelor of Arts at Wayland and her Master of Education at Hardin-Simmons.

Helping the Juniors this year is Mr. Jerry Wood. He has been the Junior counselor for six years. He received his Bachelor of Science and Master of Education from East Central Oklahoma University.

To help Seniors prepare for their future is Mrs. Barbara McKenzie, Senior Counselor. She has been guiding Seniors in the right direction for eleven years. She received her Bachelor of Arts degree at North Texas State University and her Master of Education at Hardin-Simmons University.

Coordinating the Vocational Programs at Cooper is Mr. William Watkins, Vocational Counselor. He has been Vocational Counselor for five years. He received his Bachelor of Sciences and Master of Education degrees from Hardin-Simmons University.

The secretaries here at Cooper have a very special job. They take time in helping each day run smoothly and efficiently. They do the best job possible to make everything turn out as it should.

In the general office, three secretaries work where the books and files are kept. Kathryn Williams is the Registrar while Gayle Taylor is the Assistant Registrar. The bookkeeper is Madie Newman.

In the attendance office, Nadine Kute, Attendance Clerk, and her assistant, Vickie Button, serve many students coming in and out all day. They sign permits for students to enter and leave class for various appointments. These secretaries also check on students who are ill.

Assisting Mr. Mendenhall as a secretary is Mrs. Dorothy Goff. She keeps records of his appointments as well as assorted clerical duties. In the counseling office, Natha Kidd helps the three counselors. Jeanne Isler serves as a Teacher's aide.

New this year, is Cynthia Standefer, the PBX office.

Home Economics is one of the most important departments at Cooper. Mastering family life skills is an integral part of our daily lives. The department is constantly striving to help students develop skills in areas of home and money management, housing, food, clothing, and parenting. Home economics develops skills in making family and personal life decisions. The home economics for the 1983-84 school year are: Sharon Kelley, Debbie Langford, Denise Lowry, Mary Mathieson, Beth Neeley, Virginia Owen, and Louise Smith. These seven teachers are to be complimented on their fine job of sharing their knowledge, time, and services with the students.

The English Department is one of the largest departments at Cooper High School. Teachers stress grammar and literature to prepare students for college. Compositions, term projects, book reports, and research papers all represent phases of the English program taught at Cooper. Students displaying special aptitudes, interests, and abilities in English are offered accelerated courses. In these classes emphasis is placed on composition and the appreciation and interpretation of literature. There are 19 teachers that comprise the English department staff. These teachers are Leia Dick, Joanna Barnett, Russell Barrett, Jimmie Blackford, Jodi Brecheen, Sally Carthel, Lynn D. Chasteen, Sherilyn C. Hanks, Robert E. Holladay, Nancy A. Mrs. Dick, "So you think you can speak German!"

The Foreign Language Department at Cooper offers four different languages. The main goal for the department is to promote other cultures, to be able to converse while traveling to other countries, to read literature written in the original language instead of translation, and also to learn more about one's own language by learning a new one.

The German classes taught by Mrs. Lela Dick, participated in Foreign Language Festivals and many other activities throughout the year.

Miss Rose Williams and her Latin classes were also busy this year. They attended State Convention, and enjoyed many activities such as the Roman Banquet and the annual Slave Auction.

The Spanish Classes were taught by Miss Sonja Green and Miss Nancy Lewis. Their goal was to serve mankind in whatever way possible so that we may have a better place to live.

Within the French classes, taught by Mrs. Melissa Pilcher, students are encouraged to be more tolerant of people from other lands and more accepting of other cultures.

The future mathematics needs of today's Cooper students are diverse. To meet these needs, the C.H.S. mathematics department provides a wide variety of class offerings and employs various teaching techniques.

A strong college preparatory program is offered. This program includes a rapidly growing computer mathematics division. Basic math skills are also taught, with much of the instruction utilizing laboratory computers and teaching machines. The MOCE Program affords students an opportunity to study banking, finance, insurance, and personal money management. Extra-curricular opportunities are available through participation in UIL math meets and the Math-Science Seminar. A tutor program offers students individualized assistance both before and after regular school hours.

The Health and Physical Education Department not only works to develop the body to its fullest potential, but it also strives to arouse in each student an appreciation of the importance of good health for zestful living — today and tomorrow.

Divided into two areas, the Physical Education classes develop efficient teamwork through physical fitness, sportsmanship and knowledge of many different sports in classes such as Teamsports, Recreational Games, Racket Sports, Conditioning and Figure Control, Weight Training, Gymnastics, Life Time Sports, and Adaptive Physical Education. The other area of P.E. is Outdoor Education that encompasses classroom work culminated in an extensive field trip or overnight camp-out.

In the Health Education classes, the students have a chance to learn all about themselves. The areas of study recognize the total self — physical, emotional, mental, and social facets of one's personality.

Another class taught in the HPE Department is Skills for Living, designed to teach the students to become "terrific" in their journey straight to the top. The ultra-positive class endeavors to discipline Cougars in areas of academic and social excellence.

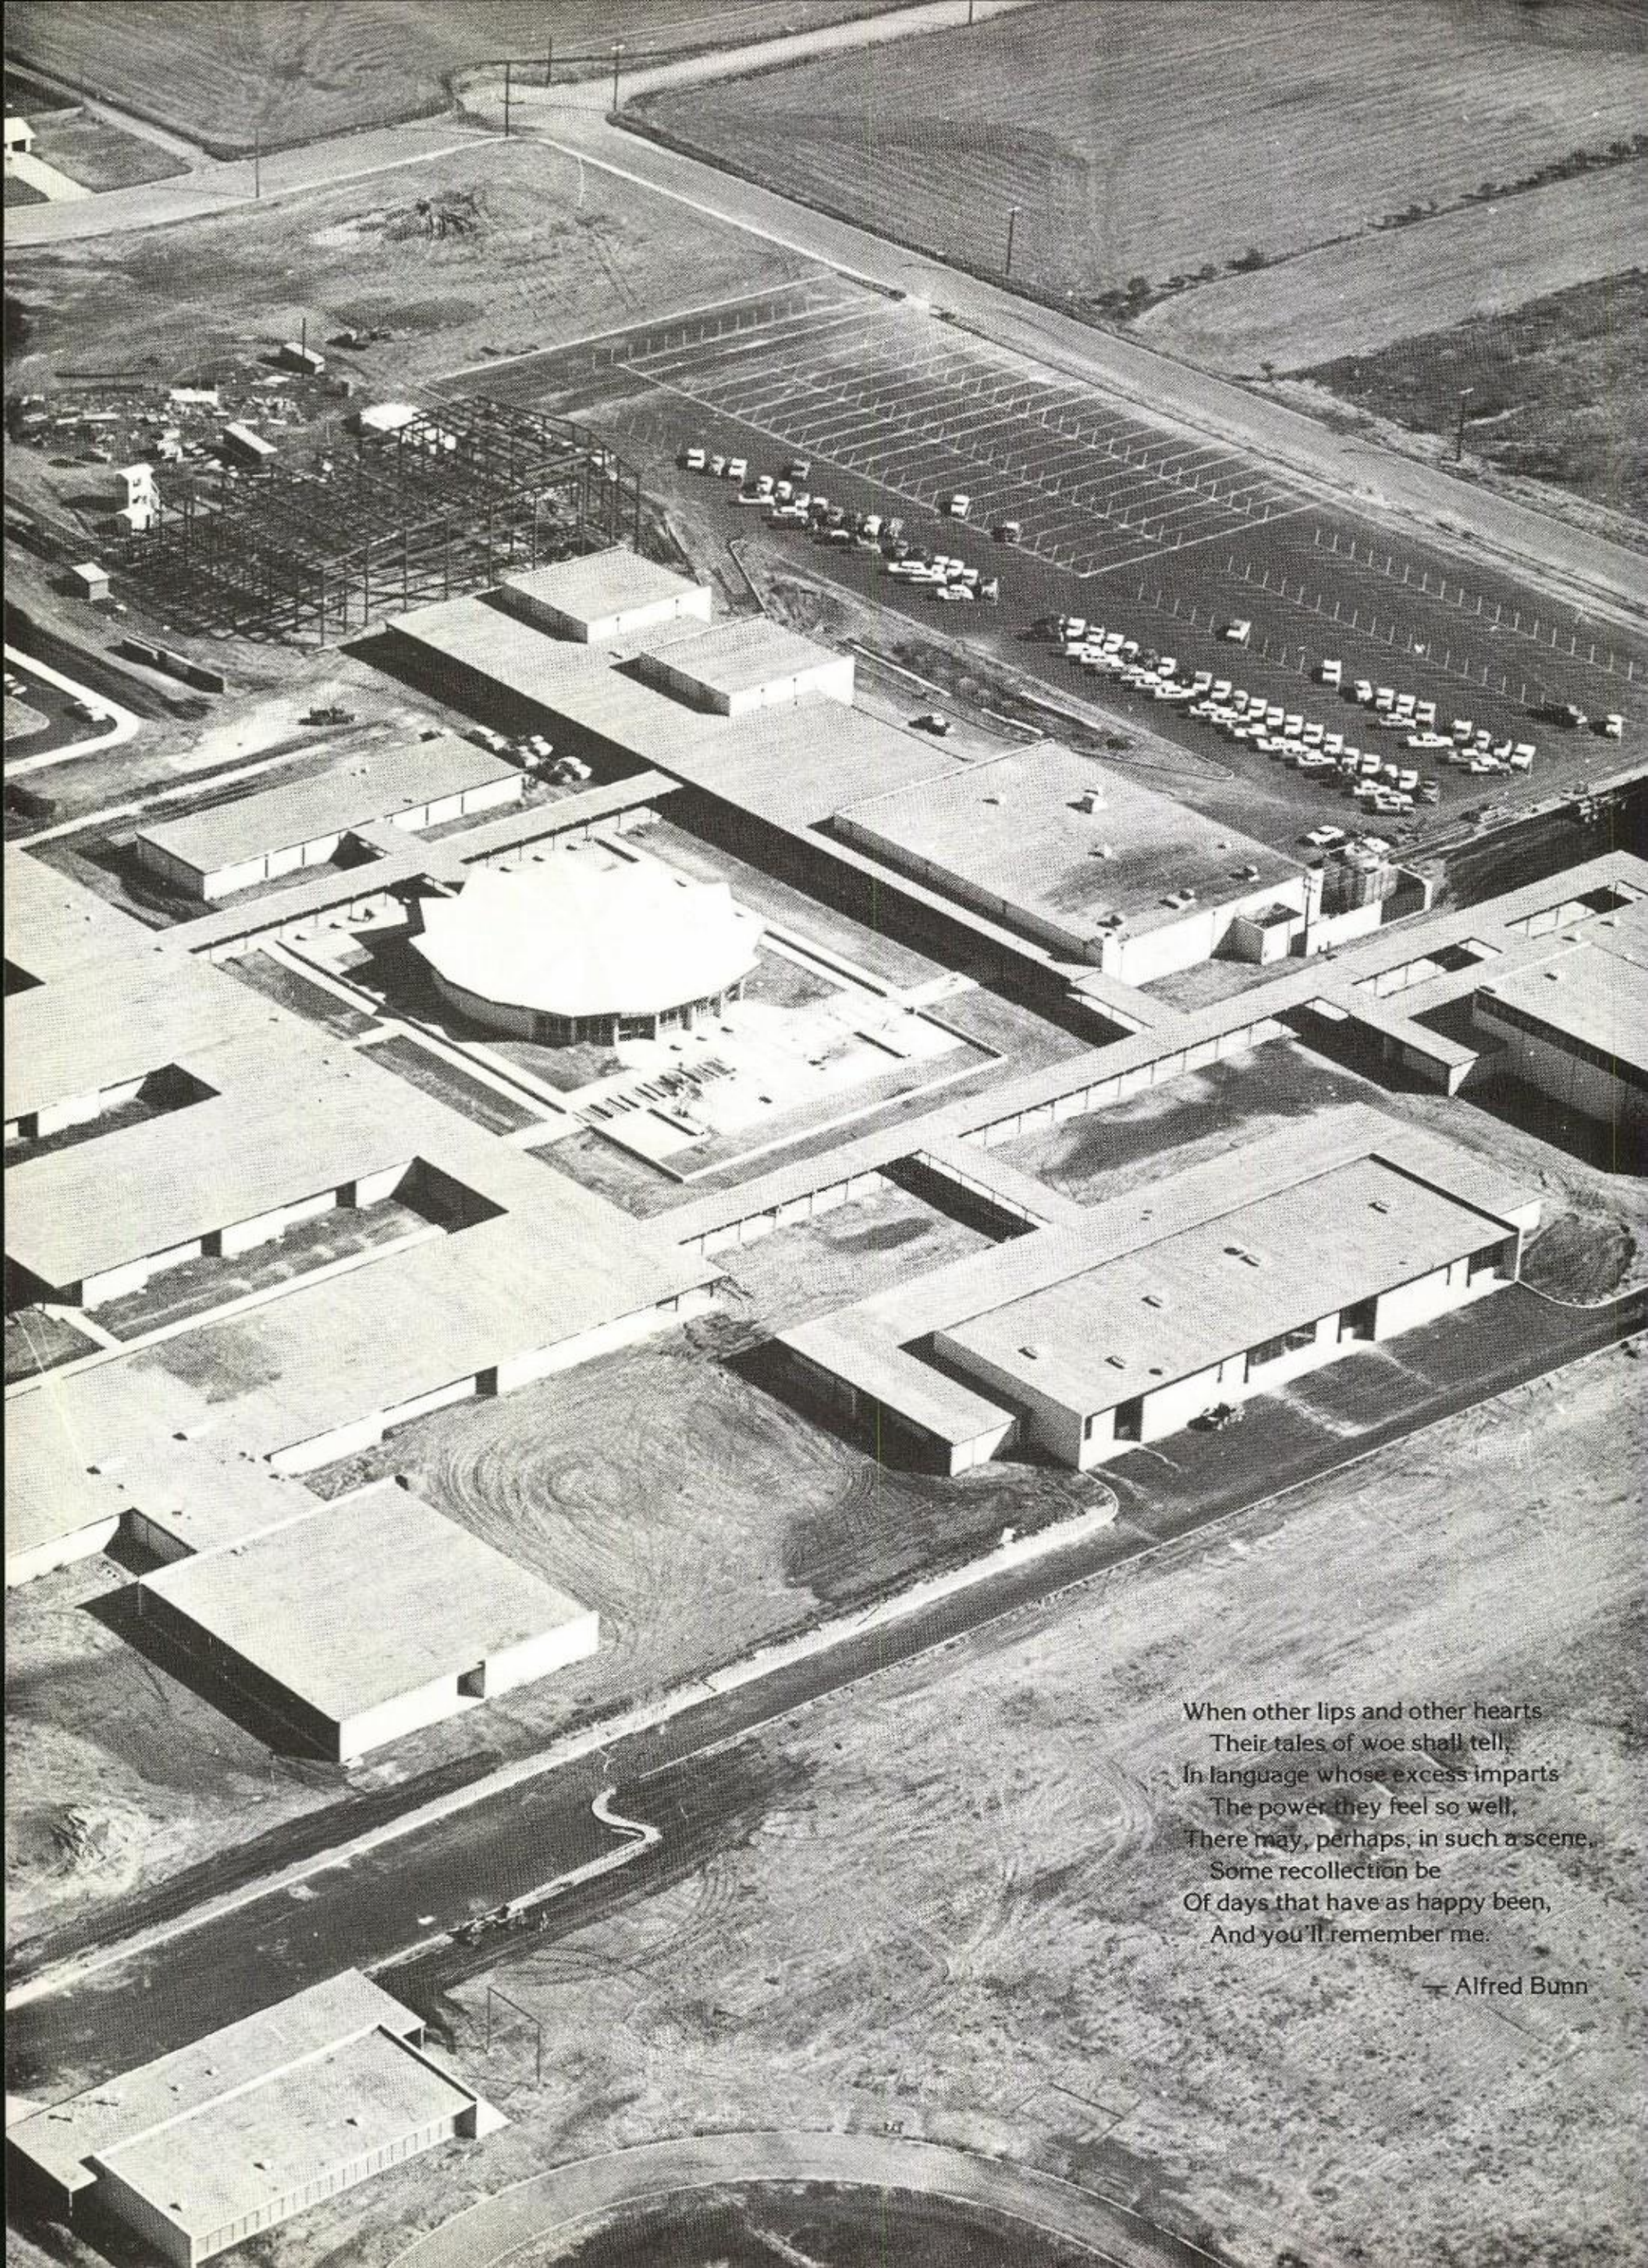
Activities



When other lips and other hearts
Their tales of woe shall tell,
In language whose excess imparts
The power they feel so well,
There may, perhaps, in such a scene,
Some recollection be
Of days that have as happy been,
And you'll remember me.

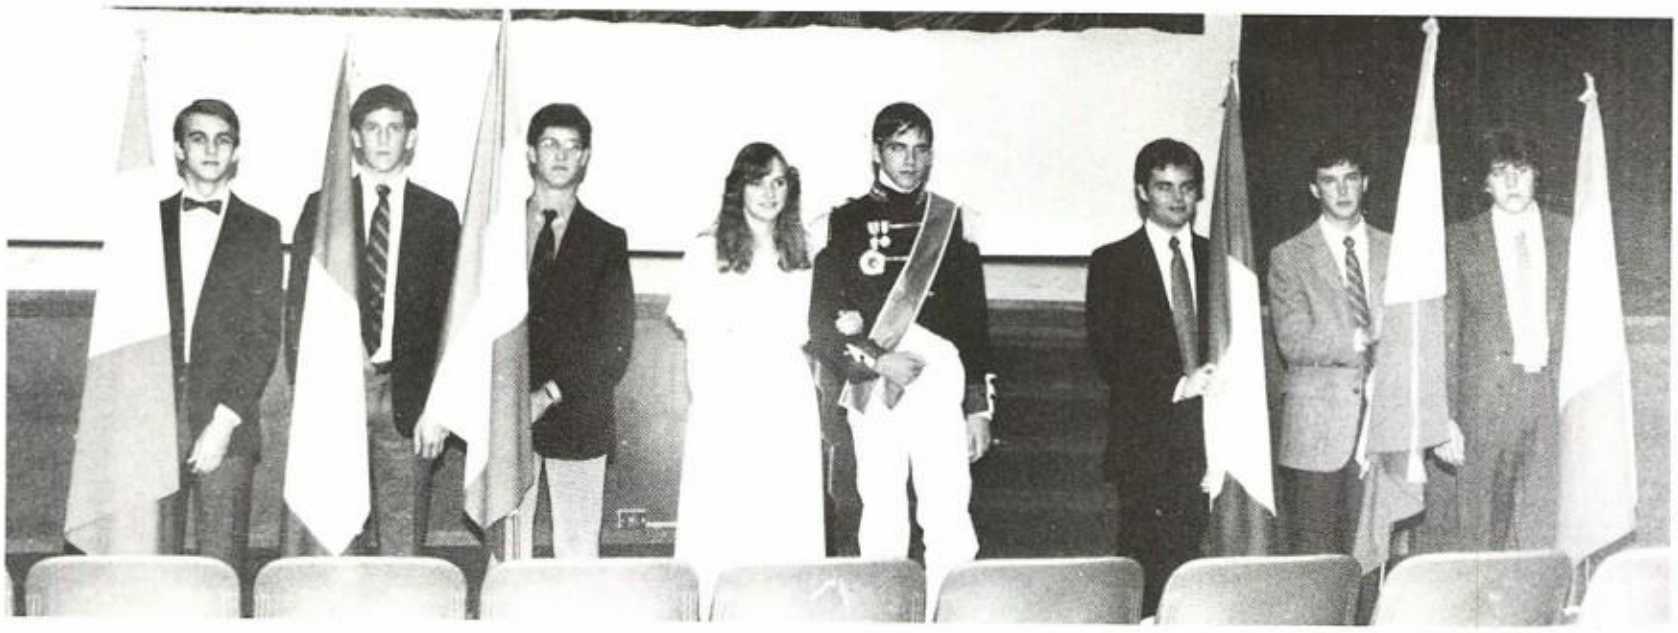
NAPOLEON CONQUERS COOPER



Members of the Cooper High Film Series: Brad Potthoff, Michael Suttle, Evan Tobin, Sherri Rasberry, Joel Wright, Perry Sales, Tracy Phillips, and Paul Mason.

Napoleon and Josephine, I mean Joel Wright and Megan Schneider, make their appearance during the presentation.

Margret Kraus and Jennifer Oden prepare for the big night. Ooooh . . . quiche all over my finger, says Jennifer.

December 3, 1983 signaled a monumental event for Cooper High School and for the Cooper Film Series. On that night, *Napoleon* was shown. Made in 1927 by Abel Gance, the film has been restored during the last 25 years by Kevin Brownlow. The four hour film was well received by the large crowd. Film critics have hailed the film as the greatest film ever made. It contains lavish decorations with French flags, which are 22 feet long, that were magnificently displayed. Napoleon and Josephine even made an appearance. French food was served at intermission. It was truly a gala, historic evening.

Sports

Football

The 1983 season marked a new beginning in Cooper football history. Coach Dick Winder one of the most successful coaches in West Texas accepted the position of head coach in February 1983.

The 1983 Cougars were short on experience but long on desire and attitude as the 1983 season would show. The Cougars opened the season on a high note with a 10-3 victory against the always powerful Brownwood Lions. The game was a preview of things to come with a well-balanced offense attack and a young inexperienced defense. The victory streak was short-lived as the Cougars traveled to Wichita Falls and fell to the Coyotes on Saturday night 15-0. The last pre-season contest was against the powerful state-ranked Temple Wildcats. Despite a good effort the out-manned Cougars were defeated 45-20.

District 4-5A was rumored to be as balanced as ever before and the state-ranked San Angelo Bobcats did little to dispel the beliefs with a 38-20 victory over the Cougars. The Odessa High Bronchos came into Abilene and suffered a 29-28 loss to the fired-up Cougars in a great crowd-pleasing game. A high powered offensive attack led by Allen Gunter and an aggressive defense proved to be the keys to victory for the Cougars.

The Midland High Bulldogs unleashed a high-octane passing game coupled with an injury to Allen Gunter to defeat the Cougars 39-21. On a windy night in Big Spring the Cougars suffered another setback in a tough defensive struggle, losing to the Steers 14-11.

Homecoming was marred as the state-ranked always powerful Permian Panthers defeated the Cougars 53-7. The Panthers put on an awesome display as to why they were ranked high in the polls.

The possible highlight of the season occurred Friday, October 28, as the Cougars entertained the number one ranked Midland Lee Rebels. A great team effort by the Cougars led to a stunning 23-21 upset by the Cougars. A great individual effort by senior Allen Gunter, the timely passing by junior Doug Hadley, clutch catches by the receiver, a great performance by the offensive line and "never say die" effort by the Cougar defense kept the crowd on their feet till the final play of the game.

At stake in final game of the season were the bragging rights of the city of Abilene and breaking the losing streak of two years to the Abilene Eagles. Fittingly the cream rose to the top as the Cougars defeated the Eagles 14-6 on a cool damp evening at Shotwell Stadium. The victory was a team effort soundly backed by the student body and loyal southside supporters. The victory was a great way for the Cougar seniors to finish up their high school careers. This victory made all the long hours and dedication worth every minute.

The 1983 Cougars finished with a 4-6 record and a fourth place finish in the "Little Southwest Conference." A great attitude, teamwork, "never say die," could be words used to describe the 1983 Cougars. Post-season honors were awarded to the following players: first team all-district running back to Allen Gunter who finished a three year career at Cooper with 2938 yards rushing. Honorable mention all district honors went to: Mike McBride Sr., Offensive lineman; Doug Hadley, Jr., Quarterback; David Newman, Jr., Defensive lineman; Clay Clemons, Sr., defensive end; Kent Strain, Sr. linebacker; and Allen Colyer, Sr., secondary.

The 1983 Cougar football team would like to thank their many loyal supporters, the Band, Cougarettes, Cougars Pride, Faculty-Administration, and student body for the many fond memories in 1983, and the future Cougars look forward to 1984.

The Cougarettes are one of the hardest working groups on the Cooper campus.

The 37 members of the drill team work out all summer in preparation for the school year. Once school begins, they arrive at school in time to work out from 7:30 in the morning to the end of first period. All of the hard work pays off when the Cougarettes give a faultless performance during pep rallies and halftime for the football and basketball games.

This past summer the Cougarettes attended camp in San Marcos where they received first place in the high kick division. The Cougarettes also performed at different contests in the spring where they represented Cooper with fine performances and a great deal of style.

The Cougarettes' performances consist of modern dance, jazz, high kick, and original dance moves that the sponsor Miss Lee creates from her background and her talent.

Not pictured are Suzanne Buckley, Squad Captain; and Deanna Boyce, Secretary.

Cougar's Pride is the largest spirit organization at Cooper, and most certainly one of the loudest and busiest!

Cougar's Pride is to serve as a spirit organization at all athletic events. To prepare for this, during August, Cougar's Pride held a workshop for all new members to learn routines to new, as well as old songs, and new chants and cheers.

Besides cheering at all athletic events, Cougar's Pride participated in the Booster Club Drive, sold spirit ribbons and buttons, made locker and yard boosters, decorated the football players' rooms, and sponsored a school dance.

This year's spirit organization sponsors are Sharon Townley for Cougar's Pride, Mike Newton for Siren Squad, Beth Neeley for the cheerleaders.

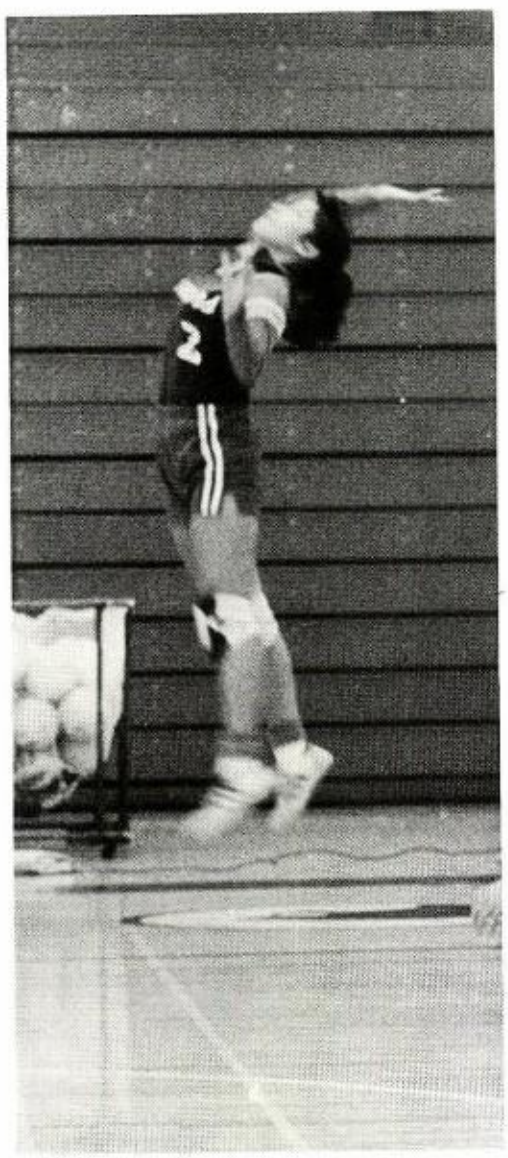
Varsity Volleyball

From left to right: Leisa King, Rhonda Moore, Sheila Wigfall, Chandra Scott, Coach Gina Young, Tracy Scott, Jennifer, Daffern, Crystal Tarr, and Hilda Espinoza



The varsity volleyball team placed second in district this year with a 12-2 record behind San Angelo Central (13-1). The team's overall record was 27-6. Advancing into bi-district against Amarillo High, the Cougars played well, but could not overcome the extreme height difference.

In September the cougars won consolation at the Denver City Tournament and first place in the Key City. Tracy Scott, Leisa King, and Crystal Tarr were named to the all-tournament team.

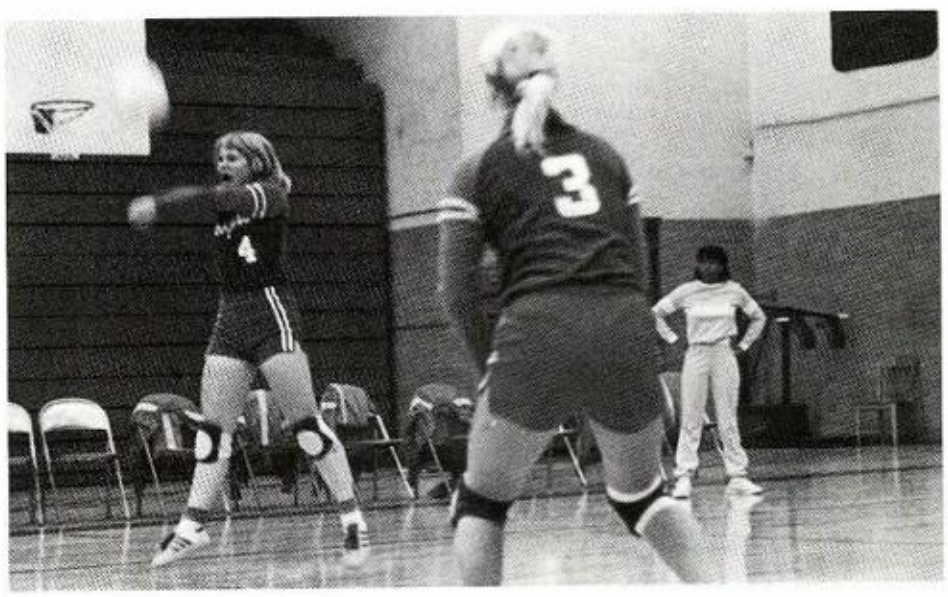
Tracy Scott had an outstanding year for the Coogs. She was voted team co-captain, named to the all-district team, and awarded the most valuable player of district 4-5A. She was the leading spiker on the team with 278 kills for the year, as well as, the leading blocker with 131 "stuffs."

Leisa King was the strongest setter in district, capturing all-district honors and high percentage server for the team.

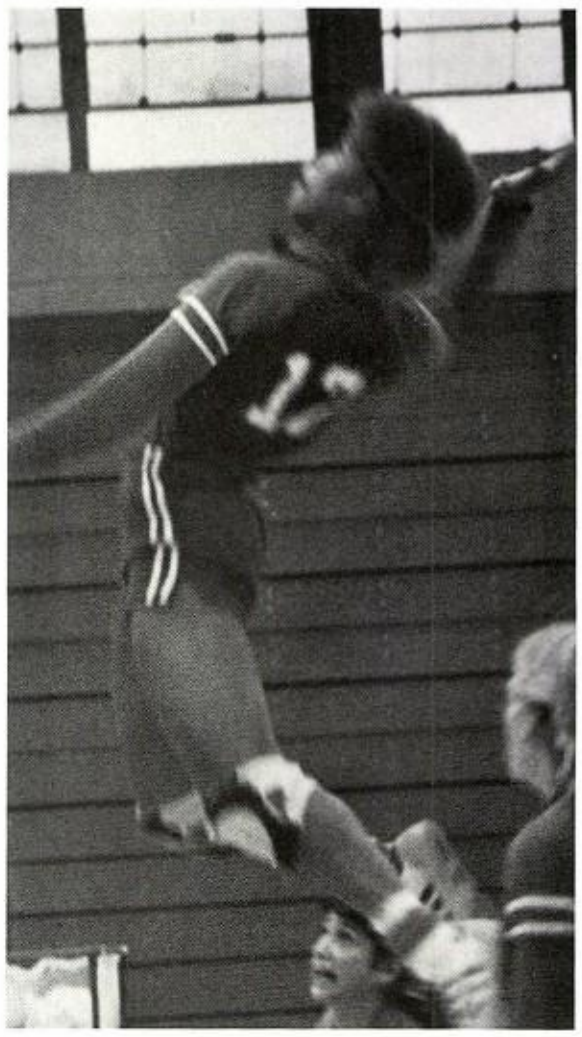
Crystal Tarr was voted as co-captain and received all-district honorable mention. She was the leading defensive player for the Cougars.

Other members of the team were Jennifer Daffern (sr.), Shelia Wigfall (sr.), Rhonda Moore (sr.), Hilda Espinoza (jr.), and Chandra Scott (jr.).

The volleyball team had another fine year, and with over 15 people (sophomores and juniors) returning, Gina Young, the volleyball coach, feels she will have another championship season next year.



Let me show you how it's done.



Lindsay Wagner, eat your heart out.

Crystal waits anxiously.

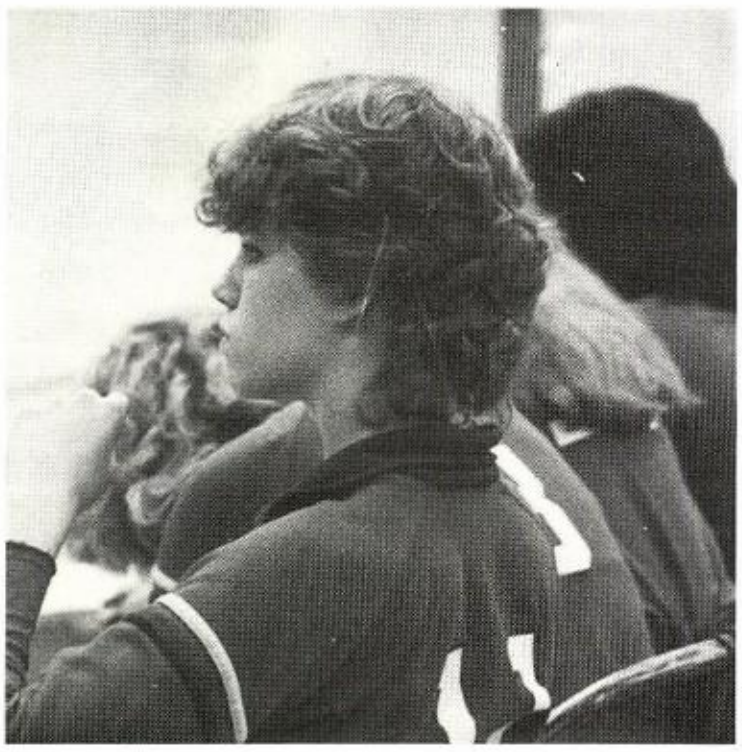
J. V.



The J. V. volleyball team placed third in district this year with a 9-5 mark. Their overall record was 21-6.

They placed first in the Breckenridge J. V. tournament and won consolation in the Big Spring District Tournament.

Captains for the team were Vicky Bledsoe, Cris Curnutt, and Melissa Mallon. Cris Curnutt was selected as the most valuable player of the team. Debra Nobles was the team's outstanding server.

Other team members were Deanna Boyce (soph.), Melissa Haynes (soph.), Paige Saverance (soph.), Amy Smith (soph.), Kerrie Smith (soph.), Natosha Smith (soph.), and Sylvia Ybarra (soph.).

The '83-'84 Cooper High School varsity tennis team had a good year. The Cougars finished third overall in district play only suffering losses to Abilene High and Odessa Permian. The Cooper girl's team finished first in district by defeating the Abilene High girl's team.

i. Boy, intramural volleyball sure is exciting.

The Cooper intramural program has grown steadily during the past few years. Faculty members and students from each homeroom have the opportunity to participate in a number of sports such as football, volleyball, basketball, tennis, track, ping pong, and bowling.

Intramurals give students who are not on a varsity or junior varsity team the chance to compete and become involved in athletics. The teams are made up of combining homerooms or individual homerooms competing against each other. A large majority of these homerooms participate in each of the activities being played throughout the year. Rivalries often occur, and many of the daily announcements are heated, and full of challenges.

Mr. Dudley, as well as many other teachers, back the intramural program by organizing schedules and planning all the activities that take place during the school year.

Things were great for the 1983 Cooper Girls' Swim Team. The girls won six of seven dual swim meets with new strength having more girl athletes participating than in recent years. The season was a real success under the direction of Coach Beverly Ball, strong senior leadership, junior aspirations and sophomore enthusiasm. The motto "If it's going to be — it's up to me" held real meaning.

Hard work and dedication paid off for the Boys' Swim Team under the leadership of Coach Beverly Ball for her thirteenth season. The boys' team surprised the early district raters by winning five of seven dual meets. "The most important qualification for becoming a champion is an intense burning desire" was the motivating standard for the team of 1983.

Coach Pat Penick's basketball team had a good year with a record of 11-12 and a district record of 7-7. Losing this year's seniors will be difficult, but next year brings many hopes and promises. Leaving the team this year are Tracy Scott and Angela Riggins who are the teams' aggressive rebounders and scorers. The team will also be losing Melinda Finley who carries the height and a consistent positive attitude. Rhonda Hays' outside shot will be missed by the team next year. Jana Clayton's quickness and aggressiveness cannot be replaced while Rhonda Moore's ability and eagerness to play cannot be beat. The team will be looking forward for a winning season with returning Leisa King who has the strength and desire, Chandra Scott who shows much dedication and ability to the sport of basketball, and Shan Owens who is very quick and smooth. The whole team did a great job this year and is looking forward to that winning season next year.

Varsity Boys' Basketball

The 1983-1984 basketball team got off to a great start in preseason play. The great start was probably due to several factors: 1. An excellent coach, 2. Great teamwork, 3. Four returning varsity players. Since there are some juniors and sophomores on the varsity, next year's team shows some promise.

Cooper Cougar Basketball, led by Coach R.M. Currin and assisted by Coach Gene Hudson began the year with workouts every day. In October formal season workouts began. In the workouts the Cougars focused on dribbling, passing, and getting their timing down for a strong and exciting season.

Thank you Cooper Cougars for giving us, your loyal fans, a most enjoyable and exciting season.

1984 basketball players are (left to right); Tim Jackson, Fred Starks, Derrick Turnbull, Bob Estes, Ken Norwood, Joe Melson, Greg Martin, Doug Hadley, Darren Hopper, Chris Eichorst, Fred Brooks, Terriance Bell.

Cooper has a very outstanding golf team. They proved this by winning district and regional the last four years. The Cooper golf team also won state the last two years. Coach Estes had plenty from his returning lettermen, which includes the following: Bob Estes, Jeff Foster, Ryan Heller, and Todd Moore.

The Cougars work hard all year long in preparation for their season, which lasts from January through May. The golf team has always done a good job in representing Cooper. The students and faculty are always proud of the effort put out by these individuals.

Mr. Robert Holladay and Mr. Jim Zumwalt led their A.P. classes of British Literature and Calculus through a successful second year of advanced studies. English students covered such areas as *Sir Gawain and the Green Knight* and *Hamlet* while the Calculus students attacked ideas concerning related rate problems. A.P. students studied advanced materials in depth and had outside projects to encourage self-discipline. The students felt as though the A.P. classes have presented them with a worthwhile challenge and have prepared them greatly for college.

The Girl's Cross Country team won a first place trophy at the A.C.U. Invitational Cross Country meet. They did not have enough runners for a team; however, Amparo Palomo was the top finisher with an eighth place finish. This year's team had several returning lettermen. Coach Rhoads has great prospects for next year and several returning from this year.

Cross Country is a sport that takes a lot of self-discipline because it is hard work and is run during the hot Fall months.

Abilene Cooper had a successful Cross Country season mainly because of the efforts of David Olmos. He got 5th in district with a 15.58 which is a school record and ran real well in the regional meet at Lubbock.

Also lettering in Cross Country was Jay Gerard, Pat Johnson, Derek Pollard. They did a good job all season.

Other members of the team were Joe Fernandez, Donald Byerly, Kent Cooper, Todd Roberts, Brett Baldwin, Robby Bowermaster, Rene Box, Ralph Bush, Rusty Bouquet and Scott Kennedy.

The 1984 baseball team, with hopes for a district championship, opened district play with a game against San Angelo. Pre-district games included Stephenville, Ranger Junior College Junior Varsity, and Trinity at Fort Worth. The Coogs participated in several tournaments this season including a tournament at Merkel for the Junior Varsity team.

The Cooper Baseball team faced many strong teams such as the Midland Lee Rebels, Abilene High Eagles, Big Spring, and Odessa Permian. The 1984 baseball team, with Andy Malone and Sam Scott coaching, gives students and faculty just one more reason to be proud of Cooper High School.

1984 COOPER TRACK TEAM — Front Row, L-R: Derek Pollard, Kent Cooper, Jay Tollison, Robby Bowermaster, Scott Keppel, Morris Taylor, Bobby Woodson, D.C. McDonald, Rene Box, Steve Galvan, David Olmos, and Donald Byerly. Middle Row, L-R: Manager — Kevin Schwalb, Falon Simmons, Scott Bredeck, Steve Davis, Glenn Petty, David Dalbert, Mark McClure, Mike Standard, Cam McNutt, Jay Gerard, Chris Reynolds, James Ervin, Wes Wilson, Ray Wise. Back Row, L-R: Coach Dewain Finley, Mitch Springfield, Ralph Bush, Allen Colyer, Robert Hopkins, Jimmy Linamin, Chris Dickson, Todd Roberts, David Rempe, Marc Utter, Victor Williams, and Pat Guzinski.

Track season started for most of the track people the first of the school year in one of three ways, 1) Running cross country, 2) Playing football or 3) off-season track. Then when football and cross-country are completed the track people either go into basketball or off-season track.

This year David Olmos went to regional in cross-country, running a 15.58 3 mile. He was fifth in District and he ran very well at regional but didn't make it to state. This will give David a good background for the 3200 and 1600 meters in track. We also have returning this year James Ervin (fifth in 800 meter at district with a 2:01) Allen Colyer ran a 14.8 110 High Hurdles and a 39.6 300 Intermediate Hurdles last year for fifth place at district. Also Jimmy Lenamon and Allen Gunter return in the weight events. Allen got sixth in the shot put (over 51 feet) and Jimmy got sixth in the discus in district.

We have a good crop of sophomore track people this year which will be good for the future. Steve Davis, Derek Pollard and Robby Bowermaster have a good chance to make the varsity on the 400 and 1600 meter Relays.

BUILDING TRADES

Morning class. Top row: Marty Reed, Sesar Alardin. Bottom row: Kevin Martin, Robert Connell, Brian Runnels, Tim Nichols, Mr. Dunlap. Not pictured: Gary Isenberg, Ismael Tajeda, David Stevens.

The Building Trades class is a member of the Vocational Industrial Clubs of America. This class is designed to teach the skills of cabinet making, electrical wiring, carpentry, plumbing, and building a residential home. Leadership is also demonstrated and taught through this class.

One of the projects this year was building a residential home. Other than construction, the class members plan picnics and outings as a reward when a job is completed and going on field trips to places of interest.

Sponsor for Building Trades is Mr. Dunlap. Officers for the 1983-84 school year are President — Marty Reed, Vice President — Sesar Alardin, Treasurer — Tim Nichols, Secretary — Jimmy Minters, Sergeant at Arms — Brian Runnels, Reporter — Tim Love, and Parliamentarian — Lee Stucker.

Afternoon Class. Top row: Richard Dobson, Jack Nichols, Wayne Blush, Robert Gates, Jimmy Minter. Bottom row: Jim Lindeman, Raymond Hatcher, Tim Love, William Setser. Not pictured: Lee Stucker, Aubrey White, Terry Holmes.

CVAE Members are: Bottom row, Debra Sanchez, Vonda Kiker, Tammy Elkins, Lupe Garza, Michelle McConnell, Derrell Sloan. Second row: Anita Gutierrez, Becky Bailey, Clinton Dial, Tony Burrow. Third row: Jim Coleman, Frank Gutierrez, Arthur Banks, Lori Hyatt. Fourth row: Clay Baggett, Jimmy McMullen, James Pettit, Darrin Day, Terry Ingram, Brian O'Halloran, Tony Boggess.

Officers for CVAE are — top row: Arthur Banks, Parliamentarian; Vonda Kiker, Reporter; Terry Ingram, Sgt. at Arms; Tammy Elkins, Secretary. Second row: Debra Sanchez, Treasurer; Jim Coleman, Advisor; Becky Bailey, President; Lori Hyatt, Vice-President.

Coordinated Vocational Academic Education is the classroom part of the Vocational Opportunities Club of Texas. The club participated in many events throughout the year.

CVAE sponsor, Mr. Derrell Sloan, prepared students for their jobs with classroom instruction for one hour each day. Besides classroom work, the students held jobs.

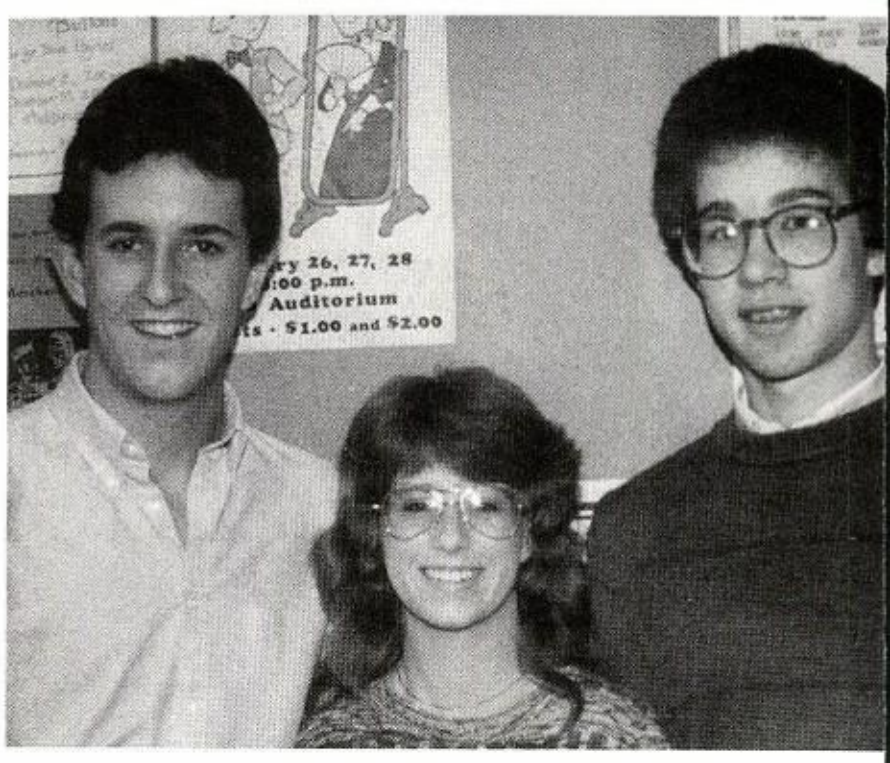
INTERNATIONAL THESPIANS

First Row, Left to Right: Renée Farris, David Kearney, Velicia Daniels, Sean Duggan, Brian Rhodes, and Sharon. Row 3: Davey Hickam, Toni Loving, Kevin Taylor, Rhonda Henson, Jame Massey, Scott Kennedy, and not pictured, Kirsten Olson.

Cooper High School produces plays and musicals each year that are considered an important part of theatre season in Abilene. Much of the support for the Cooper Drama Department is given by the International Thespians.

International Thespians is an honor organization, and membership must be earned. Points toward membership are accumulated by performing and doing technical work. Students often spend Saturdays building sets and making costumes, and the casts of Cooper productions give hours of their evening time in preparing for glittering opening nights.

In addition to full-length plays, such as this year's fall production, "A Midsummer Night's Dream," and the annual spring musical comedy, "Annie," the drama department also produced a play for the city's youngsters, "My Friend the Fox," and entered the One-Act Play Contest. This Thespian organization presents awards at the end of the year to actors and technicians who have distinguished themselves in the Cooper Theatre season.



OFFICERS: Sean Duggan — President, Velicia Daniels — Secretary/Treasurer, and Brian Rhodes — Vice President.

Row 1 — left to right — Penny Mullen, Cindy Casey, Kathy Murphy, Angela Rodgers, Cheryl Vendle, Jewell Riley, Diana Foster, Shannon Maloney, Lisa Neill.

Future Homemakers of America is a national organization for students who have been enrolled in the home economics education program on secondary level. The major goal of the organization is to help youth to assume their roles in society through home economics educations in areas of personal growth, family life, vocational preparation and community involvement. The challenge motto "Toward New Horizons" reminds members that their contributions to home and community life today will influence the kind of homes they will have tomorrow and that the family life of members will influence the community and the world.

The club's activities this year include an Ice Cream Sundae party, American Cancer Society's Great American Smokeout, selling Current Stationery, serving the annual faculty Christmas Open House, a Valentine Breakfast, an educational field trip, and attending the Area and State FHA conferences.

Sponsors this year are Mrs. Sharon Kelley, Mrs. Debbie Langford, Mrs. Denise Lowry, and Miss Beth Neeley.

Back Row — left to right — Douglass Bryan — Special Projects, Debbie Ethredge — Secretary, Lois Davis — Area Officer, Front Row — Donna Neal — Publicity, Heather McSherry — Co-President, Kathy Murphy — Co-President, Monica Oldenburgh, Social Chairman.

INTERACT

Top Row: Arcadia Luna; Ramiro Rodriquez; Arnold Moir; Curtis Harding; Ricky Fulfer.

The Maurice Chapter of FHA-Hero serves the school by sponsoring many activities for students as well as the faculty.

The club's main goals are to develop leadership through their activities, and to develop an attitude of acceptance towards all kinds of people and honorable work stations.

The club events included parties for the Special Ed. students and teachers.

The club served an openhouse luncheon to faculty members, custodians and administration before Christmas.

They also adopted a needy family and cared for that family throughout the year.

The Maurice Hero is a unique group of valuable students.

Officers: C. Kay Fenwick, President; Scott Spaunhorst, Vice President; Jane Garcia, Secretary; Christie Sherwood, Historian; Pam Ensminger, Treasurer; Tammy Russell, Reporter.

ADVANCED SCIENCE SEMINAR

The suspense is killing these Seminar members.

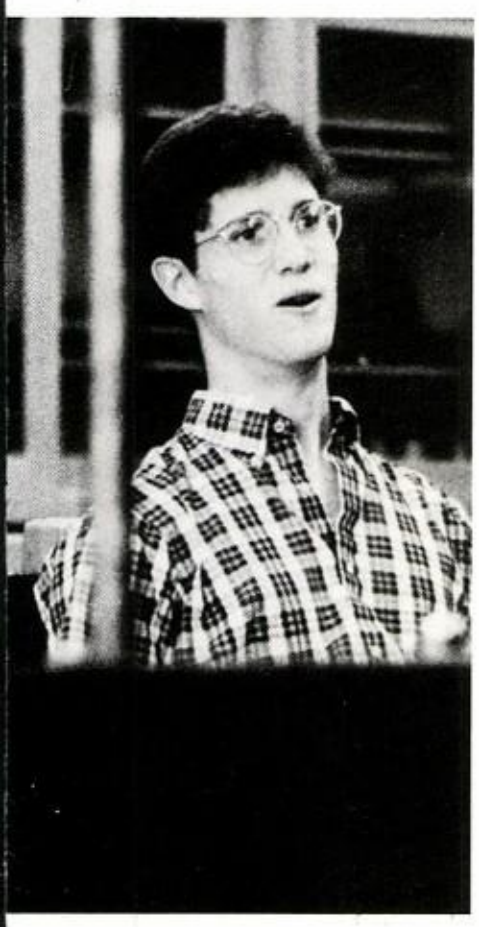
Perry Sayles is excited.

The Advanced Science Seminar was introduced at Cooper in the 1977-78 school year by Col. James O. Alderman, a retired nuclear physicist. The seminar offers students oriented in the fields of math and science an opportunity to acquire more advanced knowledge in these areas.

Students learn more complex mathematical concepts and their application to areas such as atomic and nuclear physics, nuclear engineering, optics, mechanics, thermodynamics, and nuclear radiation phenomenology.

Col. Alderman, the director of the Seminar, through the years has developed in detail subjects such as Reaction Theory, Nuclear Physics, Calculus, Matrices, Analytic Geometry, and Einstein's Theory of Special Relativity.

Steve Hayes is fascinated by nuclear physics.



van Tobin asks, "Is it always, Col. Alderman?"

Steve Chapman finds that nuclear physics isn't easy.

In its second year, the Art Club has not only developed but has grown in size and spirit. The club was organized with the hopes that the students who are unable to take art classes would have the opportunity to participate in artistic activities. The club was also organized for those students who are enrolled in art classes but wanted to participate to gain more knowledge of the subject. At the Abilene Fine Arts Museum, special meetings were held so the students could view current exhibits.

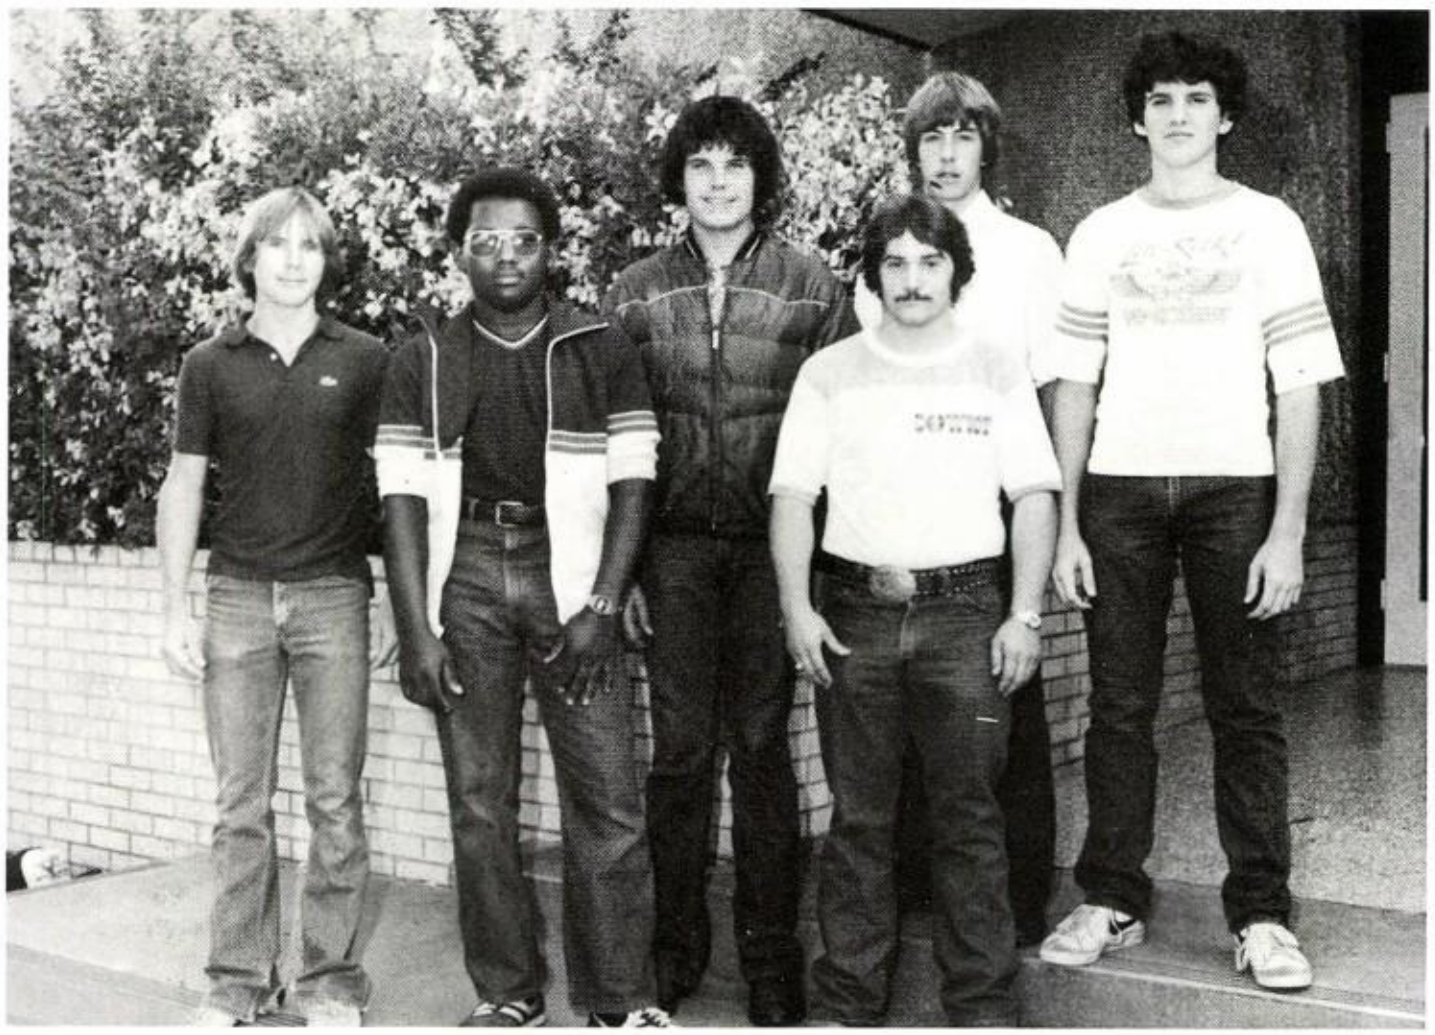
The Auto Body Program at Cooper High School is designed to teach the basic principles of auto body repair. The program is open to any sophomore, junior, or senior student in the Abilene ISD. Students from both Cooper and Abilene High are presently enrolled in the program. This year they are working as a production shop. As of December 1, 1983 the students have completed 40 units. This means that they have repaired and repainted 40 automobiles. Hopefully when the seniors in the program graduate they will be able to continue work in the auto body field by being employed in the many auto body repair shops in this area. You are invited to come by and visit with them and see how their shop program operates.

The sponsor of Auto Body is Mr. Reford Schmittou. 1983-84 officers this year are President — Allen Colyer; Vice-President — Allen Gunter; and Secretary/Treasurer — Scott Bailey.



Afternoon class: Allen Armstrong, Willie Cooper, Sam Schwartz, Steve Castleberry, Jimmy Kirk Brown, Monty Dotson. Not pictured; Robbie Coffman, Russel McDonald, Miquel Miramontez, Nathan Moss, Willis Norvell, Donald Westerman.

THE CONCERT CHOIR

Cooper's top choral group continues to win Sweepstakes awards in competitions and plaudits from audiences wherever they perform. The Choir's repertoire includes quality choral literature of all periods, Renaissance to Contemporary. The Choir also prides itself on its excellent ability to read music at sight. Membership in the Concert Choir is by audition. The Conductors of the Cooper Choirs are Bobbie Sumerlin and Don Scargall.

THE CHORALE

Members of the Chorale work to develop their vocal and musical skills in a training choir which has attained an enviable record of UIL sweepstakes awards each year. This year many of the Chorale were named to the All-Region Choir, and one member advanced all the way to the final All-State audition. This year's Chorale is an especially talented group. Membership includes all students who are new to the choral program at the high school level.

The Cooper Crest is published by the journalism department of Cooper High School. The staff attempts to cover almost all aspects of journalism writing — editorials, feature writings, sports, and news based on the experiences of the students in Cooper.

The Cooper Crest has received many honors including first in Interscholastic League contests.

The highest award came in 1981-1982, when the Crest was given a first place rating by the Columbia Scholastic Press Association, New York, a national organization. It was also the recipient of the All Columbian Award for columns and reviews. High ratings in other individual categories were in writing, editing, design and display, and in creativity.

The sponsor for 1983-1984 Crest was Miss Brecheen. The Crest staff this year plans to continue the high quality set by the previous years in serving as a source of enjoyment for its readers. These readers include the Cooper students and faculty, as well as the citizens of the community who read it and also support it with ads. The Crest is a self-supporting and non-profit paper.

The 1983-84 Cooper Film Series enjoyed a very memorable year that included a gala showing of the 1927 classic *Napoleon*. Originally made by Abel Gance, it has been considered by some critics as the greatest film ever made. French food and other refreshments were available during the intermission of the four hour extravaganza.

Many other major films were also shown this year every Saturday night at 7:00 PM. Students involved in the film series have learned much about the art of criticizing films and are now able to point out different techniques of both screenplay writing and motion picture making. Also they have had the opportunity to observe the techniques of adapting great works of literature to the screen. The Cooper Film Series is sponsored by Mr. Robert Holladay.

The Cooper French Club participated in a variety of ac
tivities during the 1983-84 school year. The first of these
was La Fete d'Automne held in October. The students
brought French cuisine and viewed a French film. In
February, club members enjoyed a Mardi Gras party held
in conjunction with the beginning of Lent. At the end of
the year, a Spring Banquet was held to announce the new
officers and outstanding French students.

For the eighth year in a row, members sold imported
candy to raise money for a trip to the Texas French Sym
posium which was held in Carrollton. At the contest
students extended their knowledge of French culture by
participating in poetry, prose, art, music, grammar,
listening comprehension, and civilization competitions.

Deutsch Über Alles

In order to raise money this year for various activities the German Club sold Gummy Bears and M&M's. The proceeds from this sale enabled them to attend such events as the Sprachfest in San Marcos, and the TAGS convention in San Angelo. At these events the students recite prose and poetry in German, and many students came home with awards for their efforts. In addition to being educational and informative, the events were a lot of fun and enjoyed by all who took part.

Key Club is a national organization and is the largest youth service organization of its kind in the world with over 90,000 members. Each Key Club must have a sponsoring Kiwanis Club. The men of the Kiwanis Clubs are dedicated to seeing that Key Clubs are active and thriving. They spend a great deal of time and energy on Key Clubs' behalf to insure a successful program.

Although there are district and International levels in the Key Club organization, the local club and the others all across the continent are the foundation and strength of this organization. A unique feature of Key Club is that it is run by the Key Clubers themselves; the adults are there to advise and counsel only. The club members develop programs, organize the projects, run the meetings, and take the initiative to serve.

An International Convention is held each year. This convention is the highlight of the Key Club year and is usually attended by over 2300 people. At the convention a new major emphasis program for the coming year is unveiled, new International Officers are elected, the Constitution and bylaws are amended, and clubs are able to compete in various contests. The district organization also holds annual conventions of similar nature and structure during the spring of the year. For both conventions there are excellent programs planned with superb speakers.

Marketing and Distributive Education is designed to prepare students for successful and gainful employment upon graduation from high school. It is an occupation training program for eligible junior and senior students who desire employment in the field of marketing and distribution. The classroom instruction is of a practical nature, utilizing instructional materials that correlate with the various positions for which the students are training. The school supplies the classroom facilities and the teacher coordinator while the employers furnish practical on the job learning experience through part time employment.

The students enrolled in Marketing and Distributive Education belong to the Distributive Clubs of America (DECA) and have an opportunity to participate in area and state meetings, along with conferences and contests held each year.

The Cooper Co-op Chapter of the Office Education Association is the local branch of the state and national organization. The purpose of the club is to provide leadership experience and furnish the opportunity to learn and become more skillful in pursuing a career in the business world. Members are able to strengthen office skills and explore various career opportunities.

Officers for this year were: President — Sharla Fannin, Vice-President — Lisa Gerardi Secretary — Eileen McCann, Treasurers — Donna Elick and Melynda Walker, Reporters — Sherri Little and Pam Snyder, Sergeant-at-Arms — Mary Martha Johnson, and Advisor — Ms. Terry Bridgford.

Activities for the year included fundraising, a formal installation of officers in cooperation with the OEA-PEL and the Abilene High School Chapters, making a Homecoming sign, secret pals, a Christmas party at which secret pals were revealed, a talent show and various OEA Week activities.

Students also competed in different skills contests at the Area, State, and National Leadership Conferences. Awards were given which enabled members to achieve chapter and sometimes national recognition for participation in chapter activities. The annual Employer-Employee banquet made it possible for the students to show their employers their appreciation for the year's experience.

The Office Education Association Pre-Employment Lab members develop leadership, poise, character, and citizenship through their work with the school and community, and through competition in Area, State, and National Youth Leadership Conferences. The organization provides leadership experience within the club and experience in the classroom for students whose career interests lie in the business field.

The sponsor of OEA-PEL is Mrs. Fanning and the OEA officers are Cameo Rogers, President; Marsha Day, Vice-President; Teri McWilliams, Secretary; Christine Adams and Susan Cummings, Treasurers; Cindy Black and Dawn Harper, Reporters; and Lisa Isaacs, Sergeant-at-Arms.

1983-84 has been a very active year for the Cooper OEA-PEL with activities which included an Officer Election Party, Installation Ceremony at Hardin-Simmons University, selling Mexican Supper Tickets for the Lions Club, a Christmas Party revealing secret pals, participating in community and public service projects, and a get-acquainted party with the OEA COOP.

The members participate in Area IV OEA Youth Leadership Conference which was held in Big Spring. If they place first or second, they move to State OEA Youth Leadership Conference which is held in Dallas. If they place first, second, or third in State, they move on to National OEA Youth Leadership Conference which is held in Indianapolis, Indiana. The competing Parliamentary Procedure Team will consist of both the Lab and Coop OEA members.

The Cooper Speech Team is a multi-talented group of people who enjoy acting and debating. Throughout the school year, they prepare themselves in a number of areas such as Debate, Extemporaneous Speaking, Prose, Poetry, Original Oratory, Dramatic Interpretation, Humorous Interpretation and Duet Acting. They travel across Texas competing with many schools in these events. A continuing goal is to qualify as many students as possible for the Texas Forensic Association State Tournament in the spring.

Other main events include: hosting a Small Schools Tournament, a junior high tournament, selling programs at home football games, and selling mugs.

The sponsor for the Speech Team is Ralph Thornhill, and Darla Patton and Stephanie Taylor accompany the team on tournaments. Being on the Speech Team takes hard work, time, and devotion. Members who are willing to sacrifice are what makes the Speech Team the outstanding group it is.

The Executive Board Members are Kim Clark, Evan Tobin, Molly Westbrook, and Gus Bush.

Wade Jones, President of the Student Council has shown responsibility, devotion and friendliness. He has especially been a leader whom everyone respects and admires.

With the help of the homeroom representatives of the Student Council and Mrs. Joan Wood and Mike Newton, sponsors combine ideas of the student body and the faculty to make improvements and additions to the school.

The Student Council sponsored many activities to encourage school spirit with the sale of spirit links which raised money for homecoming. They also made it possible for homecoming queen election, reception and dance.

With their help and cooperation the 1983-84 school year has been a successful year for all.

The Cooper Chapter of the National Honor Society encourages students to display scholarship, service, leadership, and character at school and in the community. Members of the National Honor Society are selected for membership by the faculty on the basis of grades and citizenship. After induction, a member must retain high academic standing and character.

The 1983-84 school year was a busy one for the National Honor Society members. In addition to the fall and spring inductions, NHS members helped with fall registration, served as hosts for College Night, sponsored the Valentine Post Office and the Bidboard, and activity cards. NHS members and friends also found time for various social events.

Honor Society Officers for 1983-84 were the following: Perry Sayles — President; Kenneth Norwood — Vice-President; Molly Westbrook — Recording Secretary; Darcy Barrick — Corresponding Secretary; Lou Ann Davis — Treasurer. Jo Caldwell and Joanna Barnett served as sponsors for the group.

Honor Unit Ribbon earned in 1983.

The Texas 794th Air Force Junior Reserve Officers Training Corps (AFJROTC) is in its fifth year at Cooper High School. The following pages are dedicated to the many cadets who worked so hard to help make the corps a success.

In the summer of 1983 the Cooper High School AFJROTC earned the distinction of being selected as an "HONOR UNIT" — the highest award a Junior ROTC unit can receive. This resulted in the Air Force designating Cooper High School an Honor School. Honor School status authorizes the nomination for appointment of five qualified cadets to the Air Force Academy, three qualified cadets to the Military Academy (West Point), and three qualified cadets to the Naval Academy.

Cooper's AFJROTC instructors, Colonel Wright and CMSgt Swinson are recipients of the Air Force Outstanding AFJROTC Instructor Award.

The AFJROTC program at Cooper is a 3-year course of military and civil instruction available to both boys and girls. The curriculum includes an introduction to aviation, national defense, careers, space, and leadership.

Academic credit for the successful completion of AFJROTC courses is the same as for any other elective offered at Cooper. Credits apply toward total graduation requirements and are included in the computation of the grade point average.

The AFJROTC supports the goals of Cooper High School and contributes significantly in making students better citizens and improving character traits such as orderliness, personal honor, self-reliance, self-discipline and patriotism.

Some major activities the corps participated in during the year were: the Jerry Lewis MDA Telethon; 15 mile MDA march-a-thon; several KC-135 jet aircraft orientation flights; visit to aircraft factory; attended NASA Aerospace Symposium; military ball, and dining out.

As part of their study of the culture and customs of the Spanish speaking world, the members of the Spanish Club strive to promote understanding in our community by helping those people who are less fortunate than they are. Some club activities are giving several baskets of food to the Abilene "Meals-on-Wheels" program, visiting with and writing letters for the elderly people in local rest homes and cleaning yards for those who are unable to do it themselves. Club members also sang Christmas carols in Spanish for the elderly at a local rest home. Two other important culminating club activities which are thoroughly enjoyed by club members are the Christmas banquet and the barbecue picnic.

Officers for the 1983-84 Spanish Club are Kenneth Norwood, President; Evan Tobin, Vice President; Michael Suttle Treasurer; Lydia Fuentes, Secretary.

The Vocational Opportunities Club of Texas is an organization that helps to prepare the students for successful and gainful employment in the working profession. Besides attending school, the students also have the responsibilities of a part—time job. Club members also participate in leadership competition against other schools in the area throughout the school year.

The students learn meaningful experience through study and work which will benefit them in finding lasting careers.

FUTURE FARMERS OF AMERICA
THE NATIONAL ORGANIZATION FOR BOYS
STUDYING VOCATIONAL AGRICULTURE

FFA is a nationally affiliated organization consisting of students who are interested in farming, ranching, and agribusiness careers. The members are required to take a vocational agriculture course and their goals are to achieve a greater knowledge of agricultural advancement, development of character, and becoming outstanding citizens of the future. They learned about showing and judging good livestock by participating in several stock shows. Vocational Agriculture Cooperative is also taught. Cooper students are placed at an agriculture related job for ½ a day and attend school for the other portion of the day. Members enjoy a picnic each year prepared by the teachers. The money for the picnic was raised this year by selling sausage, peanuts, and turkeys.

FFA officers: (L to R) Top Row — Charla Birchum, secretary; John Barbee, sentinel; Middle Row — Mike Seals, reporter; Elizabeth Gray, vice-president; Bottom Row — David Portalatin, treasurer; and Gary Grimm, president.

Greenhand officers for the 1983-84 year were (L to R): Leah Morris, Paul Root, Scott Manly, Scott Clowdus, and Donna Burnett.

GREENHANDS

The members of the Greenhands Chapter of the FFA learned more about ranching, farming, and agribusiness this year. Every member of the nationwide organization is enrolled in a first year vocational agricultural course. Leadership, cooperation and citizenship were stressed, and the use of improved agricultural practices is emphasized. Every Greenhand student is required to have a project. Greenhand members exhibit projects in local chapter shows and several area livestock shows. They also learn the correct methods for judging farm animals. The Cooper Chapter participated in farm skills and farm rodeos. The chapter is funded by the sale of sausage, peanuts, and turkeys. These funds are used to maintain stock showing and supplies.

To Everybody,

We would like everyone to know how kind and patient Mr. Holladay has been to us and the rest of the staff. He put up with our antics when he didn't have to. Mrs. Knight, you're a wonderful lady, we love you for your dedication to the Talisman. Thanks for the super work you did. Mr. Cummings thanks for not killing us for all the times we said "We need it tomorrow." Mr. Kline thanks for a job well done. To Libby and Amy, you'll never know how much you mean to us. Finally for those of you we left out, and you know who you are, sorry for the rough times.

K.O. and C.B.

I would first like to thank Mr. Holladay for making me Co-Editor, it has been something I will never forget. I would also like to thank the wonderful executive staff for working so hard. To the best staff any one could ask for keep up the outstanding work. Jeff and Alan, thanks for my flower and thanks for standing behind me when the going got tuff. Carlton a trip to Bradshaw sounds like a good idea, you know I'll never forget that as long as I live. Susan, what can I say, you work better under pressure. To everyone at World Bazaar thanks for all of your moral support, and for not firing me. Mrs. Wood and Hutch you are two teachers I will never forget, thanks for being there to talk to. Mr. Freeman, I love you to death, thanks for letting me leave to work on the book and thanks for the last three years. Finally to my friends: Barb, Laurie, Terrie, and Jean Ann thanks for the party times. Kirsten, I couldn't forget you, the best friend and best Editor in the world, thanks for everything, and I mean everything, all of the extra hours, and hard work. I love ya!! Last but not least to my boys: Steve, Stanley, Gary and Don I love my ring and you better stay out of trouble when I leave.

C.B.

To Everyone,

I did it because I wanted to. I hope you enjoy the book and I hope it reminds you of all the good times and hard work that were a part of this year. Charla and Mr. Holladay know I love them. I especially want my mom to know how much she helped me get through this. She babied me when no one else could.

K.O.

I want to thank my club staff, especially my section heads, for all of their fine work. Next, I appreciated the advice and help of the rest of the executive staff. I would also like to thank M.C., B.S., D.W., L.S., R.G., and C.L. for their tremendous support. Finally, I sincerely hope that the events recorded in this year's Talisman will evoke positive memories to all who read it.

C.T.K.

To Whom It May Concern,

First off I want to thank Kirsten for all the hard work and dedication that she put into the book. And to Charla, well . . . thanks for all of the terribly interesting antics you supplied. And to Judy, what can I say, thanks for your understanding, and especially your friendship. Oh, and thanks for all the memories, even in the BR. C.

An enormous thanks to Beuno for keeping me healthy. And thanks to my parents for understanding when I took my yearbook problems out on them. And to Susan F. what can be said, thanks for finding *some* of our pictures. And a special thanks to Stephanie C. for all the wonderful 4th periods we shared together. And an enormous thanks to my friends for helping me pull myself together after I went off the deep end two weeks before deadline.

T.G.I.O.

SG

To Everyone:

Contrary to popular belief, old Subarus never die, they roll over — HA! Thanks, Mr. H. for being: our sponsor through "Billions and Billions" of hardships and "The Eternal Optimist." K.O. You did a fabulous book, C.B., You did fabulous Pig Calls. Shea, Billy, Paul, Leslie, Laurie, Stacie, and Sports Groupies — You're GROOVY! Thanks for the imaginative work. T.A.P. (Charlotte's "Ally") and P.M.S. (Lecher Lover) Thanks for making me laugh and even smile when it was "that bad"; thanks for rescuing me from the animal shelter (T.O.). S.G. — I'll get you!!! The Park # 1

J. "Lumphead" R.

First of all I would like to give my special thanks to our sponsors, Robert Holladay and Wanda Knight. Without their never ending encouragement and guidance this 1983-84 yearbook would not have become the success that it is. I would like to give special thanks to Mr. Jack Cummings for the good work he did with the yearbook photography staff. Even though Jack persisted in calling me "D.B." throughout the year, and giving me all kinds of trouble, I still think he did an excellent job. I would also like to thank the 3rd period classes staff for working so hard throughout the year. Thanks for being patient with the photographers. Last of all I would like to thank Frank Zappa, The Goon, Ronnie Giblets, Johny Fetus and the Embryos, Alan Cable and James the Janitor for keeping up my spirits during my remaining few days of High School.

Jeff Vaughan

Thanks to everyone on the staff for working hard, those who did. Thanks also to Angela for organizing the faculty section and workers. And thanks to Mr. Holladay for allowing me to work on such a great staff and for such a great book. I learned a lot and had fun these last two years.

RJ

I would first like to give my special thanks to our wonderful sponsors, Mr. Holladay and Mrs. Knight. Without them none of this would have been possible. Secondly I would like to thank our wonderful Editors-in-Chief, Kirsten and Charla, for a job well done (an extra thanks to Charla for explaining to me the advantages of owning a Duroc pig). I would also like to thank all of the staff members for doing such an outstanding job. Thanks are also in order for the girls of third period who stopped arguing and gossiping long enough to do a truly great job in their pages, especially Beth "The Buck Doesn't Stop Here" Orsini. Last but not least I would like to extend my thanks to Beauregard, Frank Zappa, Pee Wee Herman, The Christmas Bat, Jeff Vaughan and all of the members of the Burl Ives fan club for helping me to keep my sanity through this last year of high school.

Alan Cable

I promise to have all your pictures tomorrow! Yes Scott, all pictures. Thanks to all the editorial staff for being so patient. To all the editors a thanks for tolerating me and thanks to Mr. Holladay and Mrs. Knight. Most important a thanks to my staff for doing me favors and those hurry jobs. Scab (Mr. C.), I could never tell you how much I appreciate you and the things you do. It would be impossible to list all the messes you have gotten me out of. Thanks to everyone.

HENDRICK MEDICAL CENTER

N. 19th & HICKORY ST. ABILENE, TEXAS 79601 915-677-3551

To the Senior Class of 1984:

You have successfully completed the most important phase of your young life - you have studied and worked to earn your high school education. You have enjoyed many things along the way, from cheering on your football team to meeting and making friends, many of whom you will keep the rest of your life. In retrospect, perhaps all those algebra and English tests were worth the effort.

But now your Septembers aren't planned for you anymore. The choice of what to do when others return to school next fall is totally yours. Some of you will marry, some will join our nation's armed forces, some will choose to enter the work force and still others will decide to continue their formal education at colleges or universities or trade and professional schools. The possibilities open to you of what to do with your life and what career to pursue are limited only by your initiative, desire and imagination. The opportunities are endless; it is up to you to choose wisely.

Let me take this opportunity to invite you to consider career choices in the healthcare field as you survey the choices available to you. Healthcare is a right of every human being and it takes a large work force to ensure that right. Many opportunities are available in this field, some requiring years of formal education while others require as little as a year of formal training. Doctors, nurses, technicians, therapists are all needed, as well as a small army of support personnel. The opportunities are many, there for your discovery.

I, and the boards of Hendrick Medical Center, Hendrick Medical Development Corporation and the Hendrick Medical Center Foundation congratulate you on earning your diploma and urge you to continue to learn each day of the rest of your life. Learning to learn is sometimes the hardest lesson for any of us to learn. May you always look back on your high school years with fond memories and use what you've learned to live a long, healthy, quality life.

Most sincerely,

Michael C. Waters, F.A.C.H.A.
President

David M. Collins
Executive Director

West Texas Medical Center

Dear Cooper High School Seniors:

How far can medicine take you?
Anywhere you want to go!

No other field includes such a limitless variety of career opportunities as does the medical profession. There's room for new doctors, nurses, therapists, lab assistants, technicians, clerical workers, dietary specialists...and the list goes on.

Right now, we'd like to let you know about our brand new facility at Highway 83-84 on Antilley Road. This extraordinary state-of-the-art facility will be opening in mid 1984, and as a full-service hospital, we will be offering many different career opportunities. Maybe one of them is for you.

Think about it. And in the meantime, please accept our warm congratulations on your upcoming graduation and our best wishes for your future.

Sincerely yours,

David M. Collins

at Hardin-Simmons University

Your future. Exciting, isn't it? The possibilities, the great potential bound up inside you, just waiting to be discovered.

At Hardin-Simmons University faculty, staff and students are dedicated to helping you on the path to self-discovery.

Regardless of your career choice—whether computer science, geology, religion, nursing, business, music or education—we are concerned about the *total* you. We want you to grow, intellectually, socially, and spiritually. And HSU is a special place where you can discover your future!

You will find a friendly atmosphere on our beautiful 40-acre campus in Abilene, where your personality can bloom.

We can prepare you for your future in the real world, where learning and living in the Christian context is a continuing challenge. HSU provides a quality liberal arts education that broadens your vision and sharpens your skills for today's high-tech society.

Tomorrow's future—*your* future—depends on today's decisions. Come and explore new frontiers with us. Discover your future at Hardin-Simmons University!

Steve,
Well we haven't had just a whole lotta classes together, but I can tell by talking to ya that you're still the same old Steve!! Have a great summer & be careful. & even, if possible stay outa trouble! (if possible!)
Good luck,
Stacie

Steve,
Its been a good year
We need to have some serious beer drinking this summer
your friend
MIKE

COORS
to you And All the REST of the Alcoholics.

TURN IT Loose Tonight & tommorrow night ...

Steve,
I am glad to have
You In Ag. You didn't talk
Much, Just like Me but
that's Just the Way We
Are. Good luck & May God
Bless You. See Ya Next Year

Steve,
Well, this
school year is
almost over, but
then comes the sum-
mer! yeah! o hope
to see you this
summer and we
will have to party!
Good luck in what
ever you want in life!
Stay sweet and cute

Love,
Marci
